Cassie Palmer, chief seer of the supernatural world, faces her biggest challenge yet--her own allies! Everything's on the line in the latest thrilling entry in the New York Times bestselling urban fantasy series. Cassie Palmer has been chief seer of the supernatural world for a little over four months. In that time, she's battled two gods, fallen in love with two men, and confronted the two sides of her own nature, both god and human. So it's not surprising that she currently finds herself facing two adversaries, although they have a single purpose: to wipe out the supernatural community's newest fighting force, leaving it vulnerable to enemies in this world and beyond. To prevent catastrophe, the vamps, mages, and demons will have to do the one thing they've never managed before and come together as allies. Cassie has the difficult task of keeping the uneasy coalition intact, and of persuading her own two opposing forces, a powerful mage with a secret and a master vampire with a growing obsession, to fight at her side. She just hopes they can do it without tearing each other apart. Here is the latest edition of the world's premier annual showcase of horror and dark fantasy fiction. Publishers Weekly Dorina Basarab is a dhampir—half-human, half-vampire. Subject to uncontrollable rages, most dhampirs live very short, very violent lives. But so far, Dory has managed to maintain her sanity by unleashing her anger on those demons and vampires who deserve killing... Dory is used to fighting hard and nasty. So when she wakes up in a strange scientific lab with a strange man standing over her, her first instinct is to take his head off. Luckily, the man is actually the master vampire Louis-Cesare, so he's not an easy kill. It turns out that Dory had been working with a Vampire Senate task force on the smuggling of magical items and weaponry out of Faerie when she was captured and brought to the lab. But when Louis-Cesare rescues her, she has no memory of what happened to her. To find out what was done to her—and who is behind it—Dory will have to face off with fallen angels, the maddest of mad scientists, and a new breed of vampires that are far worse than undead... Being a goddess is a lot less fun than you might think. Especially when you're only a half goddess, and you only found out about it recently, and you still don't know what you're doing half the time. And when you've just used your not-so-reliable powers to burglarize the booby-trapped office of a vampire mob boss. Yeah, that part sucks. But that's just the tip of the iceberg for Cassandra Palmer, aka the Pythia, the freshly minted chief seer of the supernatural world. After all, Cassie still has to save a friend from a fate worse than death, deal with an increasingly possessive master vampire, and prevent a party of her own acolytes from unleashing a storm of fury upon the world. Totally just your average day at the office, right? Clairvoyant Cassandra Palmer's magical powers are a mixed blessing-she may be able to contact spirits but sometimes this can be a whole lot more trouble than it's worth. Battling with vampires, feys and mages who all seek supremacy, Cassie must use her powers wisely in order to save herself - and the world. The Cassie Palmer Series includes Touch the Dark, Claimed by Shadow, Embrace the Night and Curse the Dawn. Cassie Palmer can see the future, talk to ghosts, and travel through time—but nothing's prepared her for this. Ever since being stuck with the job of pythia, the chief seer of the supernatural world, Cassie Palmer has been playing catch up. Catch up to the lifetime's worth of training she missed being raised by a psychotic vampire instead of at the fabled pythian court. Catch up to the powerful, and sometimes seductive, forces trying to mold her to their will. It's been a trial by fire that has left her more than a little burned. But now she realizes that all that was the just

the warm up for the real race. Ancient forces that once terrorized the world are trying to return, and Cassie is the only one who can stop them... Der Stammesvampir Aric Chase ist ein Tagwandler mit außergewöhnlichen Kräften und gehört zu den mächtigsten Familien des Ordens. Trotz dieser Privilegien möchte er sich endlich im Einsatz beweisen. Vom ersten Moment an entfacht die verschlossene junge Frau eine nie gekannte Leidenschaft in ihm. Doch in ihrer Vergangenheit lauern Geheimnisse, die nicht nur sie selbst in den Abgrund reißen könnten.
