Ripped Off (A Ripple Effect Cozy Mystery, Book 6) Jan 01 2023 Birthday Surprise Turns to Murder and Embezzlement in Ripped Off, A Cozy Mystery Adventure from Jeanne Glidewell Albuquerque, New Mexico Full-time RVers, Rip and Rapella Ripple, arrive in Albuquerque, “Chartreuse Caboose” in tow, to surprise their

granddaughter Tiffany on her thirtieth birthday. But the festivities take a chill when Tiffany and husband Chase's investment manager and close friend, Trey Monroe, is found dead in the airport with a one-way ticket to the Cayman Islands in his hand. The money Chase and Tiffany had invested through Trey is missing. Worse yet, Tiffany learns—unbeknownst to her—Chase had invested their entire savings in a risky IPO, which lands Chase in the matrimonial dog house, as well as in the big house as a murder suspect. Shocked by the betrayal of their friend and with their marriage relationship stretched to breaking, the undeterred Rapella comes to the couple's rescue. Following leads given her by Trey's personal assistant—also a victim of her boss's scheme—Rapella puts herself, along with Rip and Tiffany, in the crosshairs of a killer's gun. Now, she needs to find a way to confirm Chase's alibi, get to the truth behind Trey's death, and recover Tiffany and Chase's money without adding three more bodies to the count. Stop Getting Ripped Off Sep 28 2022 New York Times bestselling author of Gotcha Capitalism and MSNBC.com "Red Tape Chronicles" columnist Bob Sullivan strikes again to help you evade the financial traps big businesses set for unwary consumers—and shows you how to get the best possible deals every single time. Today's marketplace is full of hidden fees, fine print, and other booby traps designed to trip you up and take your money. You may be losing big even when you think you're getting a steal! But with Sullivan's keen guidance and sensible advice, you can save money and regain control of your financial life. Clearly and concisely, Sullivan reveals • why American consumers make such easy targets for corporate America (you'll be stunned, for example, at how poor our math skills are) • how Wall Street will skim off one third of your retirement money (avoid this trap with Sullivan's new "Pitfall-Proof Pyramid") • the myths behind credit-card reward programs and "the 21st-Century Bank Account" • the real numbers to focus on when buying a new car • why you should spend more time shopping for your mortgage than your home • the key questions you must ask before buying life insurance • the secrets to saving for college and paying off student loans the right way • the best deals on cell phones and pay-TV service With Sullivan's empowering message, financial savvy, and knowledge of consumers' wants and needs, you can outsmart the system, keep your hard-earned cash, and finally stop getting ripped off. And you'll become part of a growing grass-roots movement to rein in the abuses of corporate America before consumers get hurt by another boom-and-bust cycle. From the Trade Paperback edition.

A File of a Life Sep 04 2020 Jill navigates her way through life creating her own stories to explain unspoken tragedies and difficult situations that no one will give her explanations for. She lives in her own world, trapped inside a story that cuts her off not only from everyone else, but also from the wall that separates her feelings and thoughts from herself. Her Mother's life is interwoven with Jill's at times when they did not know each other yet overlapped briefly until tragedy separated them. Jill find's something that changes everything, a suitcase in the rafters of her Grandmother's garage, covered in layers of dust. In it, she finds the answers to everything, sitting there all along. Suddenly the gap that was missing all those years is filled in and Jill doesn't know if it's too late. All the lies, the stories that her childhood was based on to help her make sense and that provided the foundation for her life are uprooted and dried to dust. She feels like a chunk of her life has been handed back to her. It all makes sense. What no one would tell her before suddenly she knows more about than anyone else.

Defenseless May 13 2021 They're overworked, underpaid, and unstoppable: four young women in a big-city attorney general's office. But when best friends Marianna, Laurie, Shannon, and Beth find themselves in the wrong place at the wrong time, it's not just their careers that are in danger—it's their lives. It's after midnight when a young coed's body is thrown from a car—right before their eyes. When their boss finds out that their presence at the scene might jeopardize the prosecution, Marianna takes the fall, exiled to a job inside an ivy-walled private college—where the murdered girl had been a student. Suddenly Marianna is in the eye of the storm alone as a vicious killer strikes again...and again. With no one to trust on either side of the law except themselves and a secretive ex-cop, Marianna, Laurie, Shannon, and Beth will have to join all their smarts, savvy, and loyalty to stop the killer from taking one of their own....

Spitfire Singh May 01 2020 Their willingness to pay any price to uphold the honour and integrity of their Air Force meant an uphill battle against bigotry, difficult conditions of work and outdated equipment. However, showing tremendous fortitude, Harjinder and his men took the fight to the enemy and rose splendidly to the occasion. Be it the formidable Japanese, the mighty Germans or the resolute tribal warriors none could break the spirit of these airborne Indians. It is a story of relentless adventure, journeying from the scrublands of the North Western Frontier, to the jungles of Burma, to the UK on the eve of D Day and to the corridors of power in an independent India. The resourcefulness of the Indians and their sheer skill and determination meant that they could overcome the myriad of challenges thrown at them, much to the surprise and dismay of some officers of the Raj. It is a story of mutual respect forged and strengthened across lines of religion, caste, creed and race, as the Indian's undeniable courage and resilience won even the hearts and minds of their British counterparts and one man was the center of it all. Harjinder's is a life of intense friendship, of great ingenuity and of hard-work and dedication, interspersed with the humor and merriment that is ever present in the military environment. It was a bottom to top career for the lowly Hawai Sepoy who went on to become one of the top officers of the IAF. He is credited with the endeavor to make the Indian Air force self-reliant and designed, built and test flew two different aircraft to prove his point. He was one of the driving forces behind making the Indian Air Force the 4th largest in the world, an astonishing feat given the twin challenges of nation building and partition. Thus the only 'disgrace' to emerge from this book is how Harjinder's story could remain untold for so long.

Bound by Danger Jun 13 2021 Army officer Deidre Roux has hidden her psychic abilities until now. But ominous visions plague her and between the martial arts tactics her twin brother taught her and the hand-to-hand combat she learned in the Army—she’s realizing just how important these skills are for her well-being. When a reporter moves in next door, she’s not sure just what to think. Dave Carter owns a gun—it is Texas—and comes to her rescue when

her brother suddenly drops into her life again. From there it's the normal stuff that women and men tend to do when they're getting to know each other—boating, swimming, dancing—except for one thing...she's trying to keep her secret under wraps at all costs, which is difficult to do when she's under surveillance by the FBI, and people keep wanting her dead. Could a reporter, who's not really a reporter, prove he might just have what it takes to keep her safe—for the long run?

Ripped Apart Aug 28 2022 We're right to be worried. Trump is favored to in in 2020 after four years of struggle. But... ? Some Democrats are helping Trump fire up his base ? Some insinuate that fellow Democrats are corrupt Who's doing this? Despite making 117 endorsements in 2018, the three “revolutionary” PACs flipped zero House seats blue. They're dedicated. But it was those of us focusing on winning, not purity, who flipped 43 seats and took back the House. The same radicals are galvanizing Trump's base by calling themselves “socialists” and taking extreme positions. This just fuels Trump's war room. Why don't we stop them? The answer is disturbing yet empowering. We've been deceived by radical mythology. By dispelling those myths, from crime-bill slanders to excessive ‘wokeness,’ this book will leave you saying, “I knew that sounded wrong. Now I know why.” This will keep you from being deceived and show the way back to a unified Party. It's not easy. But failing that, we will hand Trump the fractured party he can beat in November.
