Empire of Sand Aug 23 2022 'Empire of Sand thoroughly swept me away' S. A. Chakraborty, author of CITY OF BRASS 'A darkly intricate, devastating, and utterly original story about the ways we are bound by those we love' R. F. Kuang, author of THE POPPY WAR A NOBLEMAN'S DAUGHTER WITH MAGIC IN HER BLOOD AN EMPIRE BUILT ON THE DREAMS OF ENSLAVED GODS Mehr is a girl trapped between two cultures. Her father comes from the ruling classes of the empire, but her mother's people were outcasts, Amrithi nomads who worshipped the spirits of the sands. Caught one night performing these forbidden rites, Mehr is brought to the attention of the Emperor's most feared mystics, who try to force her into their service by way of an arranged marriage. If she fails in their bidding, the gods themselves may awaken and seek vengeance... From British debut author Tasha Suri, Empire of Sand is a lush and beautiful tale set in a magical world inspired by medieval India. 'Draws you into an intricately realised world of blood and secrets. An arresting and magical history told through the eyes of an indomitable heroine. I cannot ask for more' Jeannette Ng 'Astounding . . . the epic story set my heart free' Fran Wilde 'The best fantasy novel I have read this year' Miles Cameron TASHA SURI is a librarian in London. A Road Less Traveled Mar 18 2022 Susie, a German, travels with her husband to his homeland Saudi Arabia. There, she has to interact with Saudi women, who encounter polygamy, secret relationships, death and spinsterhood in their daily lives. Decisions have to be made that will determine Susie's future happiness as she struggles to assimilate into the conservative way of life. But will friendship, love and faith make Susie's journey worth it?

Onward and Upward: the Tales of Carol Ann Oct 01 2020 This is a story about one woman's journey through life. Her journey began in a small town during the 1940s and follows her through many steps from being a housewife and mother, raising four children and surviving two failed marriages to pursuing a career and learning how to fly an airplane something which changed her life forever. This story is about the freedom and joy of flight, and much more. It is about family, confidence, exploration, adventure and making friends. It is about facing disappointment and finding the courage to persevere, about challenging yourself and meeting life head on. It is as story filled with much inspiration and hope.

2000 American Alpine Journal Jun 28 2020 Published annually since 1929, The American Alpine Journal is internationally recognized as the world's finest journal of its kind. The latest volume of climbing's "journal of record" offers the most complete picture available of who did what in 1999. Conrad Anker relates the triumph and tragedy of the Mallory discovery high on the slopes of Mount Everest, while Renny Jackson and Valeri Babanov recount impressive Alaskan climbs, and Slovenian climbers report on the hardest and boldest climbs of the year. If it happened in the world of climbing, it's in the AAJ. Founded in 1902, the American Alpine Club is the leading national organization devoted to mountaineering and rock climbing, to the conservation and study of mountainous regions, and to representing the interests of the American climbing community. The AAC is based in Golden, Colorado.

Muslim Women's Pilgrimage to Mecca and Beyond Nov 14 2021 This book investigates female Muslims pilgrimage practices and how these relate to women's mobility, social relations, identities, and the power structures that shape women's lives. Bringing together scholars from different disciplines and regional expertise, it offers in-depth investigation of the gendered dimensions of Muslim pilgrimage and the life-worlds of female pilgrims. With a variety of case studies, the contributors explore the experiences of female pilgrims to Mecca and other pilgrimage sites, and how these are embedded in historical and current contexts of globalisation and transnational mobility. This volume will be relevant to a broad audience of researchers across pilgrimage, gender, religious, and Islamic studies.

Radius May 28 2020 A haunting, intimate account of the women and men who built a feminist revolution in the middle of the Arab Spring. In 2012, the joyful hopes of the democratic Egyptian Revolution were tempered by revelations of mass sexual assault in Tahrir Square in Cairo, the revolution's symbolic birthplace. This is the story of the women and men who formed Opantish - Operation Anti-Sexual Harassment - who deployed hundreds of volunteers, scouts rescue teams, and getaway drivers to intervene in the spiraling cases of sexual violence against women protesters in the square. Organized and led by women during 2012-2013 - the final, chaotic months of Egypt's revolution - teams of volunteers fought their way into circles of men to pull the woman at the center to safety. Often, they risked assault themselves. Journalist Yasmin El-Rifae was one of Opantish's organizers, and this is her evocative, aching account of their work, as they raced to develop new tactics, struggled with a revolution bleeding into counter-revolution, and dealt with the long aftermath of assault and devastation. Told in a daring, hybrid narrative style drawn from years of interviews and her own, intimate experience, it is a story of overlapping circles: the circles of male attackers activists had to break through, the ways sexual violence can be circled off as "irrelevant" to political struggle, and the endless repetitive loops of living with trauma. Introducing a powerful new voice, a writer whose searchingly beautiful, spare prose cuts to the core of a story ever more urgent and relevant: of women's resistance when all else has failed.

Discursive Navigation of Employable Identities in the Narratives of Former Refugees Jan 04 2021 Incorporating both interview and workplace data, this book examines the discursive and social challenges that former refugees encounter as they navigate successes and failures in the New Zealand labour market. Over five chapters of microlevel discourse analysis - drawing on Bamberg & Georgakopoulou's (2008) positioning, and interactional sociolinguistic literature - themes emerge of narrative, social and cultural capital (Bourdieu, 1986), linguistic agency, and wider capital-D Discourses (Gee, 1990) surrounding refugeehood. Of particular interest in this study is the inclusion of a longitudinal study of former refugees' trajectories in the labour market, and the combination of both interview and authentic workplace interactional data, providing rich insight into the multiple and ongoing challenges new arrivals face in their negotiation of employability. This book will be of interest to those engaged in research around migration (particularly those focused on forced migration), employment, language and identity, and narrative identity.

Against the Gods Mar 06 2021 The narrative recounts the struggles of Wendy Bakari on her journey to woman. After a successful stay in the city to obtain her education, a jilted Wendy returns to a fictional African Village called Lufinga where she is forced to confront misogyny, evil spirits, female circumcision and other strange customs. Yet as the granddaughter of the village witch, she must walk a fine line lest she be consumed by her own desires.

Emergent Possibilities for Global Sustainability Aug 19 2019 It must be acknowledged that any solutions to anthropogenic Global Climate Change (GCC) are interdependent and ultimately inseparable from both its causes and consequences. As a result, limited analyses must be abandoned in favour of intersectional theories and practices. *Emergent Possibilities for Global Sustainability* is an interdisciplinary collection which addresses global climate change and sustainability by engaging with the issues of race, gender, and class through an intersectional lens. The book challenges readers to foster new theoretical and practical linkages and to think beyond the traditional, and oftentimes reductionist, environmental science frame by examining issues within their turbulent political, cultural and personal landscapes. Through a variety of media and writing styles, this collection is unique in its presentation of a complex and integrated analysis of global climate change and its implications. Its companion book, *Systemic Crises of Global Climate Change*, addresses the social and ecological urgency surrounding climate change and the need to use intersectionality in both theory and practice. This book is a valuable resource for academics, researchers and both undergraduate and post-graduate students in the areas of Environmental Studies, Climate Change, Gender Studies and International studies as well as those seeking a more intersectional analysis of GCC.

Radioman: Twenty-Five Years in the Marine Corps Dec 03 2020 "RADIOMAN tells a universal story -- about war, family, and growing up. Andy Hesterman's 25 years in the Marines span a huge range of world events and personal experiences. I found myself laughing, rooting for him, and shaking my head at the insanity of it all. A great book!" - Nathaniel Fick, NY Times best-selling author of *ONE BULLET AWAY* "From a recruit surviving boot camp to a Major flying combat helicopters and controlling F/A-18s in Iraq, Andy Hesterman shares the pride of the Corps and the pain of saying goodbye to your family for yet another deployment. With Radioman, you'll feel like you've put on the Marine cammies and marched alongside Hesty for over two decades of service to our country." - Dell Epperson, Captain, U.S. Navy (Retired) "Radioman is far more than the story of one man's 25-year journey through the modern Marine Corps - as fascinating as that story is. It is also an account of the extraordinary changes - technological, tactical, moral - that have utterly transformed the American military in that time. Both gripping and honest, Radioman is also told with a humor and humility that makes for an extremely pleasurable read." - "Scott Anderson, New York Times best-selling author of *THE QUIET AMERICANS*" From a Gulf War grunt to a full-fledged Marine Major in the wars in Iraq and Afghanistan, Andrew Hesterman saw it all. Radioman offers a highly personal and unfiltered view of the Marine Corps as it transitioned from the post-Vietnam analog Reagan era to the post-9/11 high-tech George W. Bush and Obama years. Radioman begins with Andy as a recruit at boot camp and the ensuing training that leads to formally becoming a Marine. After comm school and the reserves, Andy is called to active duty in 1991 for the Gulf War, where he experiences combat up close in Kuwait. The next personally, professionally, and politically tumultuous decade brings marriage (and divorce), flight school and helicopter missions in Kosovo, the shock of 9/11, another marriage, and children. Andy's journey culminates as an officer in Iraq, where he directs air support for the Marines in Fallujah. Co-authored by Robert Einaudi, a close friend of Hesterman's since high school, Radioman provides an honest and vivid military portrait of the Marine Corps and the modern US military seen through the experiences of one Marine.

Realm of Ash Jun 21 2022 Some believe the Ambhan Empire is cursed. But Arwa doesn't simply believe it - she knows it's true. Widowed by the infamous, unnatural massacre at Darez Fort, Arwa was saved only by the strangeness of her blood - a strangeness she had been taught all her life to suppress. She offers up her blood and service to the imperial family and makes common cause with a disgraced, illegitimate prince who has turned to forbidden occult arts to find a cure to the darkness hanging over the Empire. Using the power in Arwa's blood, they seek answers in the realm of ash: a land where mortals can seek the ghostly echoes of their ancestors' dreams. But the Emperor's health is failing, and a terrible war of succession hovers on the horizon, not just for the imperial throne, but for the magic underpinning Empire itself. To save the Empire, Arwa and the prince must walk the bloody path of their shared past, through the realm of ash and into the desert, where the cause of the Empire's suffering-and its only chance of salvation - lie in wait. But what they find there calls into question everything they've ever valued . . . and whether they want to save the Empire at all.

Fray May 20 2022 "A gorgeous weave of romantic fantasy and urgent politics." —Anna Smith Spark, author of *The Court of Broken Knives* In an enchanting world of sartorial sorcery, court intrigue, and revolutionary royals, a charm caster must navigate a royal court

and foreign alliances fraught with danger to protect her future in the aftermath of rebellion in the sequel to *Torn*, a French Revolution-inspired historical fantasy debut. Open revolt has been thwarted—for now—but unrest still simmers in the kingdom of Galitha. Despite having built a thriving business on her skill at both dressmaking and magic, Sophie has not escaped unscathed from her misadventures in the workers' rebellion. Her dangerous foray into curse casting has rendered her powers unpredictable, and her increasingly visible romantic entanglement with the Crown Prince makes her a convenient target for threatened nobles and malcontented commoners alike. With domestic political reform and international alliances—and her own life—at stake, Sophie must discern friend from foe... before her magic grows too dark for her to wield. Praise for *The Unraveled Kingdom*: “Miller places immigrant ambition and women’s lives at the heart of her magical tale of politics and revolution. I was utterly enchanted by this unique, clever, and subtly fierce fantasy. —Tasha Suri, author of *The Jasmine Throne* “Strong research, moral ambiguities, and an innovative magic system....A well-executed historical fantasy debut whose author has a sharp eye for detail.” —Kirkus “Miller weaves a fresh, richly textured world full of magic-stitched ball gowns and revolutionary pamphlets. The vivid, complex setting and deeply human characters make for an absorbing read!” —Melissa Caruso, author of *The Obsidian Tower* *The Unraveled Kingdom* *Torn* Rule Fray

The Woman Who Fell from the Sky Feb 23 2020 "I had no idea how to find my way around this medieval city. It was getting dark. I was tired. I didn't speak Arabic. I was a little frightened. But hadn't I battled scorpions in the wilds of Costa Rica and prevailed? Hadn't I survived fainting in a San José brothel? Hadn't I once arrived in Ireland with only \$10 in my pocket and made it last two weeks? Surely I could handle a walk through an unfamiliar town. So I took a breath, tightened the black scarf around my hair, and headed out to take my first solitary steps through Sana'a."—from *The Woman Who Fell From The Sky* In a world fraught with suspicion between the Middle East and the West, it's hard to believe that one of the most influential newspapers in Yemen—the desperately poor, ancestral homeland of Osama bin Laden, which has made international headlines for being a terrorist breeding ground—would be handed over to an agnostic, Campari-drinking, single woman from Manhattan who had never set foot in the Middle East. Yet this is exactly what happened to journalist, Jennifer Steil. Restless in her career and her life, Jennifer, a gregarious, liberal New Yorker, initially accepts a short-term opportunity in 2006 to teach a journalism class to the staff of *The Yemen Observer* in Sana'a, the beautiful, ancient, and very conservative capital of Yemen. Seduced by the eager reporters and the challenging prospect of teaching a free speech model of journalism there, she extends her stay to a year as the paper's editor-in-chief. But she is quickly confronted with the realities of Yemen—and their surprising advantages. In teaching the basics of fair and balanced journalism to a staff that included plagiarists and polemicists, she falls in love with her career again. In confronting the blatant mistreatment and strict governance of women by their male counterparts, she learns to appreciate the strength of Arab women in the workplace. And in forging surprisingly deep friendships with women and men whose traditions and beliefs are in total opposition to her own, she learns a cultural appreciation she never could have predicted. What's more, she just so happens to meet the love of her life. With exuberance and bravery, *The Woman Who Fell from the Sky* offers a rare, intimate, and often surprising look at the role of the media in Muslim culture and a fascinating cultural tour of Yemen, one of the most enigmatic countries in the world.

The Sisters of the Winter Wood Jul 22 2022 LUSCIOUS AND HYPNOTIC . . . A gripping, powerful story of family, sisterhood. I gulped it down! - Madeline Miller, author of *Song of Achilles* and *Circe* 'An incredible achievement - a rich literary fairy tale' Robert Dinsdale, author of *The Toymakers* Every family has a secret . . . and every secret tells a story. In a remote village surrounded by forests on the border of Moldova and Ukraine, sisters Liba and Laya have been raised on the honeyed scent of their Mami's babka and the low rumble of their Tati's prayers. But when a troupe of mysterious men arrives, Laya falls under their spell - despite their mother's warning to be wary of strangers. And this is not the only danger lurking in the woods. As dark forces close in on their small village, Liba and Laya discover a family secret passed down through generations. Faced with a magical heritage they never knew existed, the sisters realise the old fairy tales are true . . . and could save them all. Captivating and boldly imaginative, Rena Rossner's debut invites you to enter a magical world of secrets, family ties and fairy tales weaving through history. Perfect for fans of *The Bear* and *The Nightingale*, *Uprooted* and *The Night Circus*. 'A graceful, poetic, deeply moving novel . . . a simply gorgeous book in every sense' Louisa Morgan 'The kind of book that Neil Gaiman and Naomi Novik might have cooked up together' Robert Dinsdale 'A stunning tapestry of a story unlike anything I've ever read. Laya and Liba are going to stick with me for a long, long time' Sara Holland, author of *Everless* 'An elegant tapestry of the love between sisters, the value of faith and family, and knowing one's true friends in times of peril' J. Kathleen Cheney 'Full of heart, history and enchantment' Publishers Weekly (starred review)

Unspoken Aug 31 2020 *The Unspoken One* has been banished for many years, his very existence erased. Ameera must find his true name and summon him if she has any hope of saving her kingdom from war, and herself from marriage to a ruthless king. The Kingdom of Nur has been suffering for years under Ameera's father's rule. She's bid her time, carefully keeping her secret hidden and waiting to become queen so she can repair what her father has broken. Then an unwanted marriage to the brutal king of Nur's enemy threatens everything she's worked towards. With her wedding drawing near and the future of her kingdom in peril, she finds the forbidden name. She knows *The Unspoken One* is her last chance to save Nur, but she risks much in summoning him. His magic is not understood, the crime he was banished for is unknown, and speaking his name carries an unbearable punishment. For Nur, for herself, she must risk it all. Or lose everything she holds dear. She speaks the name too many have paid a painful price for uttering. Nothing, not the kingdom, their lives, or her heart, will ever be the same.

Kingdom of Sleep Aug 11 2021 The world is made safe by a woman . . . but it is a very big world. It has been generations since the Storyteller Queen saved her country from fire and blood - but now the kingdom of Kharuf is threatened by a demon gathering power. When a princess is born, the demon is ready with her final blow: a curse that will cost that princess her very soul, or force her to

destroy her own people to save her life. The threads of magic are tightly spun, binding princess and exiled spinners into a desperate quest to break the curse. But the web of power is dangerously tangled - and they may not see the true pattern until it is unspooled. *Kingdom of Sleep*, by the critically acclaimed E. K. Johnston, is a spellbinding retelling of an enchanting fairy tale with the power of story at its heart.

They Called Me Wyatt Dec 15 2021 When Jordanian student Siwar Salaiha is murdered on her birthday in College Park, Maryland, her consciousness survives, finding refuge in the body of a Seattle baby boy. Stuck in this speech delayed three-year old body, Siwar tries but fails to communicate with Wyatt's parents, instead she focuses on solving the mystery behind her murder. Eventually, her consciousness goes into a dormant state after Wyatt undergoes a major medical procedure. Natasha Tynes had only recently sold her novel *They Called Me Wyatt* when she ran afoul of cancel culture for snitching on a rail worker who was breaking the rules by eating on a train. Look it up on Goodreads and—as of this writing—you'll discover nearly 2,000 one-star ratings and over a thousand reviews—many, if not most of them, from people who give the book one star despite admitting they never read it, parroting the lie that “Natasha Tynes hates black women.” As a publisher myself, it's personally distressing that a book's reputation can be tanked by a horde of people who've never even seen the novel in question when so many authors struggle to generate even triple-digit reviews from people who've actually taken the time to sit down and read the book they're reviewing. Tynes' work suffered for her bad behavior—unjustly, unfairly, and unread. Almost two thousand negative reactions—when only a few hundred copies were even ordered, and when Tynes' previous publisher stopped shipment on books after her tweet went viral. Tynes—again, a woman of color, mother of three, and immigrant to the United States with journalistic bylines under her belt in a variety of publications around the world—had her career ended before it began because the demons of outrage so decreed it. The problem is that *They Called me Wyatt* is a good book—a compelling, original thriller that, under other circumstances, would instead be praised for its unique and original voice, weaving together the stories and lives of people from a multitude of cultures and backgrounds for a one-of-a-kind espionage thriller. Tynes' literary voice captures a woman caught between multiple worlds: first, as a teenage immigrant to the US, and then as an adult woman trapped in the body of a young boy after her murder results in reincarnation. Growing up with an identity not her own—and struggling with what her identity even is—Tynes' protagonist goes on a journey fantastically reminiscent of so many immigrants to the United States who attempt to forge a new identity while remaining faithful to their own culture. All of this was lost, though, amidst the outrage. Readers were never given the opportunity to discover Tynes' work on its own terms, to be judged on its own merits. Until now. I've decided to publish *They Called Me Wyatt* because I believe in second chances. Natasha Tynes has since apologized for her tweet and acknowledged her bad behavior. I respect that. I believe in forgiveness and growth. I believe that people can learn from their past mistakes and move beyond them. I do not believe in the one-and-done brutality of Twitter's outrage police. I do not believe that one ignorant tweet should brand an individual forever and ruin their career. I do not believe an artist's work should be judged on the basis of one act of stupidity on the part of its creator. That's why, just like its protagonist, I've decided to reincarnate *They Called me Wyatt* as the first entry in the REBELLER literary imprint. REBELLER is about bucking the system—about seeing a good idea, being told it can't be done, and doing it anyway. It's about judging art on its merits and turning our backs on a Hollywood system and elitist mindset that would determine the worth—or worthlessness—of something based on arbitrary rules. It's about remaining calm in the face of certain fury that will be leveled on us by those most insecure and apoplectic from our confidence in our convictions. It's about something being dangerous and doing it anyway.

Father of Lions Jan 16 2022 'Callaghan's portrayal of a city under siege is many-layered and brilliantly told' Sunday Times Iraq, 2014 As ISIS laid terrible siege to Mosul, a zoo on the eastern edge of the Tigris was kept open against all odds. Under the stern hand of the zookeeper Abu Laith, whose name – loosely translated – means Father of Lions, its animals faced not only years of occupation, but starvation and bombardment by the liberating forces. *Father of Lions* is the story of Mosul Zoo: of resilience and human decency in the midst of barbarism. 'Father of Lions captures, with heartbreaking poignancy, the human cost of these conflicts' Josie Ensor, Middle East Correspondent for the Daily Telegraphy 'Through the story of a man who loves both lions and life, Louise Callaghan shows how humour and defiance can counter cruelty' Lindsey Hilsum, author of *In Extremis*

Strangers, Neighbors, Friends Jul 30 2020 From 9/11 to Israel-Palestine to ISIS, the fear of the religious stranger is palpable. Conservative talk show hosts and liberal public intellectuals are united in blaming religion, usually Islam, for the world's instability. If religion is part of the problem, it can and should be part of the solution. *Strangers, Neighbors, Friends*--co-authored by a Muslim, a Christian, and a Jew--aims to inform and inspire Abraham's children that God calls us to extend our love beyond family and fellow believer to the stranger.

Cyber-Archaeology and Grand Narratives Oct 21 2019 This volume asks how the current Information Technology Revolution influences archaeological interpretations of techno-social change. Does cyber-archaeology provide a way to breathe new life into grand narratives of technological revolution and culture change, or does it further challenge these high-level theoretical explanations? Do digital recording methods have the potential to create large, regional-scale databases to ease investigation of high-level theoretical issues, or have they simply exposed deeper issues of archaeological practice that prevent this? In short, this volume cuts beyond platitudes about the revolutionary potential of the Information Technology Revolution and instead critically engages both its possibilities and limitations. The contributions to this volume are drawn from long-term regional studies employing a cyber-archaeology framework, primarily in the southern Levant, a region with rich archaeological data sets spanning the Paleolithic to the present day. As such, contributors are uniquely placed to comment on the interface between digital methods and grand narratives of long-term techno-social change. *Cyber-Archaeology and Grand Narratives* provides a much-needed challenge to current approaches, and a first step toward integrating innovative digital methods with archaeological theory.

Arab Spring and Arab Women Dec 23 2019 This volume examines the role of Arab women in Arab Spring and their contribution to the ongoing process of change sweeping the region. The book begins with an examination of the process of democratization and its impediments in the Arab World since the Second World War. It then looks at the conditions that led to the upsurge of the so-called Arab Spring. Finally, it underscores women's role as participants, organizers, leaders, but also as victims. The main thesis of the book is that while Arab women were an integral part of the revolutionary efforts within the Arab Spring paradigm, they did not benefit from their sacrifices. Although they continue to be part of the process of change, their gains, rights and scope for participation are still limited. If the expansion of women's participation and the scope of their rights do not seem to be a priority for revolutionary forces, women have made remarkable achievements, especially in some Arab Spring countries such as Yemen and Libya. The book includes case studies of some Arab Spring countries and other countries influenced by developments: Egypt, Bahrain, Kuwait, Libya, Yemen, Algeria, Jordan, Morocco and Saudi Arabia. It calls on revolutionary and reformist forces to give special attention to issues related to Arab women, as they are an indispensable pillar in the process of reform, development, peace and stability in the Middle East.
