Is it possible to make a million dollars in only one minute? The answer just might surprise you. In this New York Times bestseller, Mark Victor Hansen, the mastermind behind the 65-million-copy Chicken Soup series, and Robert G. Allen, a pioneer in bestselling wealth-creation books, share their revolutionary approach to building wealth and present a powerful program for self-discovery. The One Minute Millionaire will show you how to: •Create wealth even when you have nothing to start with •Use the power of leverage to build wealth rapidly •Overcome fears so that you can take reasonable risks •Use “one minute” habits to build wealth over the long term The lessons in The One Minute Millionaire are not just about becoming a millionaire—they are about how to ethically make, keep, and share your wealth. Whether your goal is less than a million dollars or that amount many times over, there’s never been a better time to achieve abundance. In these turbulent times, these lessons will show you how to recover from financial loss and rebound with renewed enthusiasm into financial security and prosperity. Let The One Minute Millionaire show you the way. Mixing business and pleasure... Self-made millionaire Steven Cavendish had enjoyed a purely professional relationship with his extremely efficient assistant, Chloe Brown. Until one unexpected night when work was forgotten in the heat of passion... However, Chloe had decided against any emotional involvement, so if Steven wanted her by his side and in his bed, he'd have to appeal to her business side. Steven's agenda was set. If a business deal was the only way to win her, that's the way he'd play it...but ultimately, Chloe would be his wife! “Leisa has a truly unique gift and has designed a path that will transform your relationship with money.”—Grant Sabatier, author of Financial Freedom and creator of Millennial Money In the world of personal finance the biggest challenge is the sense that there’s never going to be enough. It is this mindset of scarcity, and not the amount spent on lattes, that holds people back the most from achieving their financial dreams. Using techniques she’s developed as a financial planner and spiritual coach, Leisa Peterson guides you to dig deeper and discover the root of your financial thinking to change not just the way you save and spend, but the way you live your life. Through powerful practices, compelling stories and extensive research, The Mindful Millionaire meets you wherever you are in your money journey by exploring: *Where your current money habits come from and why you feel the way you do about money and success. *How to break the cycle of fear, grief, and shame that often surrounds your money habits. *How to write a new money story that inspires joy, satisfaction and prosperity. *Why wealth building isn’t just about positive thinking and “manifesting” things into reality. *How to stop financial self-sabotage and procrastination. *Where practical financial advice misses the mark. *The most effective tools for changing how you think and feel about money. *What true financial independence looks like and how to discover the millionaire within. “This book helps you realize your intrinsic value so your financial decisions

reflect what matters most to you. This is the key to true financial freedom."—Ivan R. Misner, Ph.D., Founder of BNI and New York Times bestselling author of *Truth or Delusion? Busting Networking's Biggest Myths* "If you've read other finance books and still felt empty, this is the book you've been waiting for."—Joe Saul-Sehy, Creator and Co-Host, *Stacking Benjamins* Podcast The bestselling author of *The Millionaire Next Door* reveals easy ways to build real wealth With well over two million of his books sold, and huge praise from many media outlets, Dr. Thomas J. Stanley is a recognized and highly respected authority on how the wealthy act and think. Now, in *Stop Acting Rich ? and Start Living Like a Millionaire*, he details how the less affluent have fallen into the elite luxury brand trap that keeps them from acquiring wealth and details how to get out of it by emulating the working rich as opposed to the super elite. Puts wealth in perspective and shows you how to live rich without spending more Details why we spend lavishly and how to stop this destructive cycle Discusses how being "rich" means more than just big houses and luxury cars A defensive strategy for tough times, *Stop Acting Rich* shows readers how to live a rich, happy life through accumulating more wealth and using it to achieve the type of financial freedom that will create true happiness and fulfillment. The author of *The Christmas Box* recounts a time during his twelfth year when his family faced destitution after a devastating accident, a period during which he befriended a multimillionaire and learned key secrets about wealth. 100,000 first printing. The incredible story of how a schoolteacher built a million-dollar portfolio, and how you can too Most people wouldn't expect a schoolteacher to amass a million-dollar investment account. But Andrew Hallam did so, long before the typical retirement age. And now, with *Millionaire Teacher*, he wants to show you how to follow in his footsteps. With lively humor and the simple clarity you'd expect from a gifted educator, Hallam demonstrates how average people can build wealth in the stock market by shunning the investment products peddled by most financial advisors and avoiding the get-rich-quicker products concocted by an ever widening, self-serving industry. Using low cost index funds, coupled with a philosophy in line with the one that made Warren Buffett a multi-billionaire, Hallam guides readers to understand how the stock and bond markets really work, arming you with a psychological advantage for when markets fall. Shows why young investors should hope for stock market crashes if they want to get rich Explains how you can spend just 60 minutes a year on your investments, never open a financial paper, avoid investment news, and still leave most professional investors in the dust Promotes a unique new investment methodology that combines low cost index funds and a Warren Buffett-esque investment philosophy *Millionaire Teacher* explains how any middle-income individual can learn can learn the ABCs of personal finance and become a multi-millionaire, from a schoolteacher who has been there and done that. Have you ever wondered why some people seem to achieve wealth effortlessly while others work just as hard but still struggle financially? In this fresh and original book T. Harv Eker explains how you too can master the inner game of money so that you will not only achieve financial success but keep it once you have it. Using breakthrough techniques T. Harv Eker shows you how childhood and family experiences and inner mental attitudes shape your view of money. Each of us has a personal money and success blueprint already ingrained in our subconscious minds, and it is this blueprint that will determine the course of our financial lives. Eker reveals: Powerful 'declarations' that drive new, money-attracting beliefs into your

subconscious; Dozens of high-income and wealth creation strategies; What truly wealthy people know that others do not; The cause of almost all financial problems; How to earn passive income, so that readers can make money while they sleep. Armed with insights provided in this book, you can begin taking action to transform your financial self, quickly and permanently. The Millionaire's Convenient Bride Reclaiming his wife—in the bedroom! Lucas Antonetti was furious when Sofie left him shortly after their honeymoon. But six years later he has tracked her down and can finally have his runaway bride pay the price of her desertion: she's still his wife and she will act as one—both in and out of the bedroom! "Everything you need to know to make millions by investing in real estate. Be smart -- take advantage of their invaluable experience to help you reach your financial goals."--Jack Canfield, Co-author, *The Power of Focus*, *Dare to Win*, and the *Chicken Soup for the Soul(R)* series. A proven formula for making a killing in small real estate investments in all market conditions Millionaire real estate investor Mike Summey and nationally recognized negotiation expert Roger Dawson team up to offer a complete program for becoming a real estate magnate in your spare time. Unlike all the get-rich-quick real estate investment guides on the shelves, *The Weekend Millionaire* shows readers how to look beyond price to the fundamentals of what makes a property valuable and to leverage that value in order to build wealth, consistently, over years. It also teaches them an original, win-win negotiating strategy in which the buyer determines the terms of the purchase and lets the seller determine the price. Readers get clear, step-by-step guidance on how to: Find great investment properties Approach sellers Structure a win-win proposal Get a proposal accepted--even with no money down and bad credit Negotiate a transaction Manage and maintain properties for increasing returns Unlike any book you've ever read, *Mentored by a Millionaire* is made up of fifteen mentoring sessions in which you will be mentored in the strategies, skills, and techniques used by super achievers who have become the world's most successful men and women. You will be mentored in these sessions by Steve Scott, a man who has not only made millions himself, but has helped dozens of others make millions as well. A young girl describes how her school friend made over a million dollars by creating and marketing a cheaper and better toothpaste. Trading is a battle between you and the market. And while you might not be a financial professional, that doesn't mean you can't win this battle. Through interviews with twelve ordinary individuals who have worked hard to transform themselves into extraordinary traders, *Millionaire Traders* reveals how you can beat Wall Street at its own game. Filled with in-depth insights and practical advice, this book introduces you to a dozen successful traders-some who focus on equities, others who deal in futures or foreign exchange-and examines the paths they've taken to capture considerable profits. With this book as your guide, you'll quickly become familiar with a variety of strategies that can be used to make money in today's financial markets. Those that will help you achieve this goal include: Tyrone Ball: trades Nasdaq stocks almost exclusively, and his ability to change with the times has enabled him to prosper during some of the most treacherous market environments in recent history. AShkan Bolour: one of the earliest entrants into the retail forex market, he trades in the direction of the major trend, rather than trying to find reversals. Frank Law: a technician at heart, identifies a trading zone, commits to it, and scales down as long as the zone holds. Paul Willette: has mastered a method that allows him to harvest some profits right away, while ensuring that he can still benefit from an occasional extension run in his favor. Order your copy today and beat the Street. **THE SUNDAY TIMES BESTSELLER** We are losing ourselves. We're chasing the wrong things, asking the wrong questions, and polluting our minds. It's time to stop, it's time to resist and it's time to rethink the fundamental social blueprint that our lives are built upon. 'As an 18-year-old, black, broke, lonely, insecure, university drop-out, from a bankrupt family, I wrote in my diary that I wanted to be a 'Happy Sexy Millionaire' by the age of 25. By 25 I was a multi-millionaire having created a business worth over \$300m dollars. Ironically, in achieving everything I set out to, I learnt that I was wrong about almost everything... The world had lied to me. It lied to me about how you attain fulfilment, love and success, why those things matter, and what those words actually mean. In this book, I'll dismantle the most popular, unaddressed lies about happiness that we've been led to believe. I'll expose the source of these lies, examine the incentives that fuel them and replace them with a practical set of scientifically proven and unconventional ideas that will help you to live a truly fulfilled life, a life full of the love you seek and the success you deserve.' 'This book will change your life if you let it.' - Tom Bilyeu, Co-Founder/CEO of Impact Theory & Co-Founder of Quest Nutrition "Why aren't I as wealthy as I should be?" Many people ask this question of themselves all the time. Often they are hard-working, well educated middle- to high-income people. Why, then, are so few affluent. For nearly two decades the answer has been found in the bestselling *The Millionaire Next Door: The Surprising Secrets of America's Wealthy*,

reissued with a new foreword for the twenty-first century by Dr. Thomas J. Stanley. According to the authors, most people have it all wrong about how you become wealthy in America. Wealth in America is more often the result of hard work, diligent savings, and living below your means than it is about inheritance, advance degrees, and even intelligence. The Millionaire Next Door identifies seven common traits that show up again and again among those who have accumulated wealth. You will learn, for example, that millionaires bargain shop for used cars, pay a tiny fraction of their wealth in income tax, raise children who are often unaware of their family's wealth until they are adults, and, above all, reject the big-spending lifestyles most of us associate with rich people. In fact, you will learn that the flashy millionaires glamorized in the media represent only a tiny minority of America's rich. Most of the truly wealthy in this country don't live in Beverly Hills or on Park Avenue—they live next door. In a unique business fable, a wise, old millionaire counsels an eager young man through practical, ready-to-implement lessons that reveal ideas and actions that can give anyone the mentality of a millionaire. Original. Studienarbeit aus dem Jahr 2005 im Fachbereich Medien / Kommunikation - Medienökonomie, -management, Note: 1,0, Business and Information Technology School - Die Unternehmer Hochschule Iserlohn, Veranstaltung: Internationale Formatverwertung, Sprache: Deutsch, Abstract: Das Spektrum des deutschen Fernsehprogramms ist seit Jahren von einem Genre im Bereich der non-fiktionalen Unterhaltung dominiert - die Quizshow. Das Format Wer wird Millionär? gilt mittlerweile als Synonym, denn es ist zum einen der Pionier und zum anderen Publikumsliebling in diesem Gebiet. Kein anderes Format hat den deutschen Fernsehmarkt so beeinflusst und Veränderungen darin bewirkt. Jedoch ist nicht nur Deutschland von einem regelrechten Quizboom infiziert worden (der mittlerweile wieder stark abgeschwächt ist), sondern über 100 Länder aller fünf Kontinente haben ähnliche Entwicklungen im Fernsehmarkt erlebt. Das Ursprungsformat Who Wants To Be A Millionaire? entstammt der zuvor unbedeutenden englischen Produktionsfirma Celador, die diese Erfolgsgeschichte geschrieben hat. Die vorliegende Arbeit befasst sich mit den Gründen für derartig weit reichende internationale Erfolge sowie mit den Möglichkeiten und Grenzen einer internationalen Formatverwertung am Beispiel dieses Formats. Hierbei gilt der Fokus insbesondere den ökonomischen Strategien und Potentialen, die durch eine systematische Verwertung und Lizenzierung hinsichtlich verschiedenster Kanäle entstehen. Die Arbeit gestaltet sich in drei großen Sinnabschnitten, wobei Kapitel 2 eine detaillierte Einführung in das Thema darstellt. Hierbei soll insbesondere auf die Faktoren und Gründe des Format-Erfolges Bezug genommen werden. Kapitel 3 befasst sich explizit mit dem internationalen Formathandel und der Lizenzierung von Who Wants To Be A Millionaire? am Beispiel des deutschen Marktes. Es soll eine ausführliche Erläuterung und Darstellung der ökonomischen Gegebenheiten und Entwicklungen erfolgen, die zu einem genauen Bild der Erlösstruktur When Jim Stovall, through his business, makes his movies such as The Ultimate Gift accessible both as a premiere theatrical and DVD movie, as well as part of a school curriculum, he improves the lives of young and old alike. - Donald J. Trump On the heels of the best-selling success of The Ultimate Gift and the major motion picture from 20th Century Fox based on that book, Jim Stovall brings you The Millionaire Map. "This is the book I wished was available 30 years ago when I was desperate and broke with only a dream of one day being a millionaire. Now, as a multimillionaire, I want to share the wisdom I've gained from the journey and provide other travelers with a map to guide them on their journey." -- Jim Stovall The Millionaire Map Reveals: You can't expand your wallet until you expand your mind. Becoming a millionaire is not just about all the things you want to have, but it's about the things you want to do and give. In order to climb to the financial peak, you've got to crawl out of the valley of debt. You will either voluntarily control your money now, or it will force its control on you later. The vast majority of people never arrive at their destination—not because they don't have what it takes but because they don't manage what they have. Most people know that there are 70 million Baby Boomers in America today....but what is less known is that there are approximately 100 million people in America between the ages of 16 and 30. This generation has just entered, or will soon be entering the work force. And they have no idea how to invest, save, or handle their money. Young people today come out of school having had little or no formal education on the basics of money management. Many have large debts from student loans looming over their heads. And many feel confused and powerless when their pricey educations don't translate into high paying jobs. They feel that their \$30,000-\$40,000 salary is too meager to bother with investing, and they constantly fear that there will be "too much month left at the end of their money." Douglas R. Andrew has shown the parents of this generation a different pathway to financial freedom. Now Doug and his sons, Emron and Aaron - both of whom are in their mid-20s - show the under-30

crowd how they can break from traditional 401k investment plans and instead can find a better way by investing in real estate, budgeting effectively, avoiding unnecessary taxes and using life insurance to create tax-free income. With the principles outlined in *Millionaire by Thirty*, recent graduates will be earning enough interest on their savings to meet their basic living expenses by the time they're 30. And by the time they're 35, their investments will be earning more money than they are, guaranteeing them a happy, wealthy future. A self-made millionaire shows you how to make millions while living life on your own terms. At just eighteen years old, Matt Morris founded his first marketing business. At twenty, he dropped out of college to pursue business full-time. At twenty-one, he was homeless and deeply in debt, living out of his car. It was then that he made a life-changing decision to re-invent himself and his career. By twenty-nine, Matt was a self-made millionaire. How did he do it? In *The Unemployed Millionaire*, Morris reveals how he turned his life around and shatters the myth that it takes money to make money. Thanks to the Internet explosion and the ease of global trade, it is possible for anyone to start a business and market their products worldwide to millions of customers. Here, Morris unlocks the secrets and provides you with the specific moneymaking formula he used to turn his ideas into a fortune. Equips you with a step-by-step formula for turning your great idea into a million-dollar business in as little as twelve months. Proves you don't have to be smart, lucky, or rich to make millions. Gives you the specific success principles all millionaires follow. Author Matt Morris is an internationally recognized speaker who selectively mentors other entrepreneurs, traveling the world, working very little, and earning millions in the process. With a foreword by Les Brown, motivational speaker, bestselling author, and television personality. If you're serious about earning millions without working your fingers to the bone, *The Unemployed Millionaire* gives you the powerful strategies needed to turn your dreams into a reality. From two leaders of the FIRE (Financial Independence, Retire Early) movement, a bold, contrarian guide to retiring at any age, with a reproducible formula to financial independence. A bull****-free guide to growing your wealth, retiring early, and living life on your own terms. Kristy Shen retired with a million dollars at the age of thirty-one, and she did it without hitting a home run on the stock market, starting the next Snapchat in her garage, or investing in hot real estate. Learn how to cut down on spending without decreasing your quality of life, build a million-dollar portfolio, fortify your investments to survive bear markets and black-swan events, and use the 4 percent rule and the Yield Shield - so you can quit the rat race forever. Not everyone can become an entrepreneur or a real estate baron; the rest of us need Shen's mathematically proven approach to retire decades before sixty-five. *Secrets of the Millionaire Mind* reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking *Secrets of the Millionaire Mind*, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. *Secrets of the Millionaire Mind* is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too! Two self-made millionaires explain how success is achieved when thoughts are aimed at a target, and offer exercises and questions to use to help focus on the ways in which to improve one's life, in an inspirational, updated edition of the best-selling guide

to success. Original. 25,000 first printing. Richer Than A Millionaire A Pathway to True Prosperity Having taught thousands of students over our careers, it is clear to the authors that many young people are clueless about their direction in life. Yes, they want a career, and yes, they want a good life, but knowing what to do is to many quite a challenge. Some say they want to be rich, but they really don't know what that means. In a sense, to paraphrase the Italian Renaissance polymath Leonardo da Vinci, many are like ships on the high seas of life without rudders! They have tremendous potential but no direction. In our book, Richer Than A Millionaire A Pathway to True Prosperity, we hope to inspire and to point all people (but especially young adults and concerned parents and grandparents who want sound advice for the next generation) in what we believe is the right direction. This direction has been reinforced by over forty years of academic and consulting research on what it really means to be rich. Our approach relies heavily on tried-and-true social science research methods of personal interviews and large-scale structured surveys. In other words, we have more than our personal opinions to offer. While there are many self-help books about wealth or happiness, we believe our book is unique in that it combines these topics. We show that it is possible to be modestly wealthy and happy. In order to reach true prosperity- health, happiness, and wealth, in all likelihood behavior modification will be required. And change is hard. Benjamin Franklin understood this, as he concluded in The Way to Wealth essay 250 years ago: the people heard the advice, agreed with it, and then practiced the contrary. Build your strongest-ever portfolio from anywhere in the world Millionaire Expat is a handbook for smart investing, saving for retirement, and building wealth while overseas. As a follow-up to The Global Expatriate's Guide to Investing, this book provides savvy investment advice for everyone—no matter where you're from—to help you achieve your financial goals. Whether you're looking for safety, strong growth, or a mix of both, index funds are the answer. Low-risk and reliable, these are the investments you won't hear about from most advisors. Most advisors would rather earn whopping commissions than follow sound financial principles, but Warren Buffett and Nobel Prize winners agree that index funds are the best way to achieve market success—so who are you ready to trust with your financial future? If you want a better advisor, this book will show you how to find one; if you'd rather go it alone, this book gives you index fund strategies to help you invest in the best products for you. Learn how to invest for both safety and strong returns Discover just how much retirement will actually cost, and how much you should be saving every month Find out where to find a trustworthy advisor—or go it alone Take advantage of your offshore status to invest successfully and profitably Author Andrew Hallam was a high school teacher who built a million-dollar portfolio—on a teacher's salary. He knows how everyday people can achieve success in the market. In Millionaire Expat, he tailors his best advice to the unique needs of those living overseas to give you the targeted, real-world guidance you need. The #1 New York Times bestseller from world-renowned advice expert teaches everyday people how to share their story and wisdom with the world and build a lucrative business doing so. In this game-changing book by Brendon Burchard, founder of Experts Academy, you'll discover: Your life story and experience have greater importance and market value than you probably ever dreamed. You are here to make a difference in this world. The best way to do that is to package your knowledge and advice (on any topic, in any industry) to help others succeed. You can get paid for sharing your advice and how-to information, and in the process you can build a lucrative business and a profoundly meaningful life. In The Millionaire Messenger, legendary expert trainer Brendon Burchard pulls back the curtains on the advice industry and shows you a simple ten-step plan for making an impact and an income with what you know. The lessons you've learned in life and business are about to become your greatest asset—and your greatest legacy. Go from ZERO to \$10,000 a month in 28 days and discover financial freedom online! Every day thousands of people are losing their jobs, their income, and their security—perhaps you are one of them. However, with the right strategies, you can easily achieve financial independence. The Laptop Millionaire provides easy to follow step-by-step strategies you can use to make real money online. Author Mark Anastasi reveals the exact strategies he used to make millions and includes the success stories of other millionaire Internet entrepreneurs. Whether you need an extra hundred dollars a day or want to start an Internet Empire, this book gives you the tools and advice you need. His no-fluff, no-filler strategies provide a blueprint to online success allowing you to discover the laptop lifestyle for yourself. How anyone can make \$700-3,000 a week thanks to Twitter, Facebook, YouTube, and other Social Media sites The simple steps to creating an online business—featuring the 3 steps that led Mark to his first \$10,000 a month business! How the 21 Millionaire Secrets can transform your life If you read and apply what Anastasi has laid out in his book, you will be well on your way to becoming a millionaire. Integrating real-

life success stories with advice and instructions, the authors offer a handbook for would-be entrepreneurs that emphasizes making a fortune and the benefits of sharing wealth with others through philanthropy. Distinguishing the qualities that separate the prosperous from everyone else, the author mixes statistical data and lively anecdotes to plumb the secrets behind generating wealth. Reprint. 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime. OVER 1.5 MILLION COPIES SOLD—#1 NEW YORK TIMES, WALL STREET JOURNAL, USA TODAY, BUSINESSWEEK BESTSELLER What's the secret to becoming a millionaire? You have to have a plan to pay yourself first that is totally automatic, a plan that will automatically secure your future and pay for your present. What makes The Automatic Millionaire unique: · You don't need a budget · You don't need willpower · You don't need to make a lot of money · You don't need to be that interested in money · You can set up the plan in an hour David gives you a totally realistic system, based on timeless principles, with everything you need to know, including phone numbers, websites and apps, so you can put the secret to becoming an Automatic Millionaire in place from the comfort of your own home. This powerful little book has the potential to secure your financial future. Do it once--the rest is automatic! The Automatic Millionaire is one of the most popular financial books of our time. It was a runaway hit when it was first published in 2004, spending thirty-one weeks on the New York Times bestseller list and appearing at number one simultaneously on the New York Times, USA Today, BusinessWeek, and Wall Street Journal business bestseller lists. It has sold over 1.5 million copies and been translated around the world in over a dozen languages. This is the first update since 2005 and includes updated information on taxes, investments, technologies and apps to automate your financial life as well as David's latest systems for making the entire process even easier. The New York Times--bestselling author of The Millionaire Next Door reveals the spending and saving habits of financially successful women. Millionaire Women Next Door presents a variety of groundbreaking concepts involving the personality,

lifestyle, motives, beliefs, and spending habits of economically successful American businesswomen. Most of these women report being raised in nurturing family environments. They were trained not only to succeed financially but also to be generous in giving to noble causes. Stanley asks, "How did these businesswomen become millionaires? They did it by doing more of the key activities and achieving better results than most of their male counterparts." Praise for Thomas J. Stanley's *The Millionaire Mind* "A very good book that deserves to be well read." —The Wall Street Journal "Worth every cent . . . It's an inspiration for anyone who has ever been told that he wasn't smart enough or good enough." —Associated Press "A high IQ isn't necessarily an indicator of financial success . . . Stanley tells us that the typical millionaire had an average GPA and frugal spending habits—but good interpersonal skills." —Entertainment Weekly "Ideas bigger than the next buck." —Orlando Sentinel If you want to be among the top 1% people, you must do what the top 1% people do. If you're like most driven entrepreneurs and business leaders, you are either starting, or running a company that is barely scratching the surface of its growth and profit potential. How do you find the hidden "cash in the walls" and make the leap from ordinary business outcomes to retire-tomorrow, profit-rich results? America's Revenue Growth® Architect Kent Billingsley has developed a proven methodology that has helped thousands of entrepreneurs and employees become millionaires or multimillionaires by radically changing the way they approach business growth. This methodology is repeatable, predictable, and scalable—and has been rigorously tested in startups and billion-dollar firms alike. In the paradigm-shifting guide *Entrepreneur to Millionaire*, Billingsley shows you how to double or triple sales, revenue, and profits through a four-phase process—Revenue Ready, Market Ready, Go to Market, and Own the Market—that has delivered explosive growth for his clients for nearly three decades. The best part? You don't have to spend another dollar on marketing or hiring another salesperson, and you don't have to slash costs to the bone. Creating wealth from your business is about generating more sales, revenues, and profits from every company asset you already have—from your contracts, clients, products, services, and even your store locations. With *Entrepreneur to Millionaire*, you and your team have what you

need to turn a good business into a fast-growth, highly profitable company, deliver greater value to your customers, and become embarrassingly rich in the process. Der Weg zum Millionär NEU – Zweite, überarbeitete Auflage 2014 Warum ist ein Mensch steinreich und der andere bettelarm? Warum hat der eine in seinem Beruf Erfolg, während der andere scheitert? Warum lebt der eine in einem wunderschönen Haus und der andere in einer baufälligen Ruine? Wolfgang G. Sonnenburg hat die Antwort auf diese Fragen. In diesem Buch erklärt er die Basics, mit denen Reichtum möglich ist; wichtige Prinzipien, um ein erfülltes und auf allen Ebenen reiches Leben zu führen. Lassen Sie Ihr Geld für sich arbeiten und werden Sie zum Herrn des Geldes, anstatt länger Sklave zu sein. Dieses Buch liefert Ihnen den Schlüssel dazu. Denn jeder Mensch hat das Recht, genügend Geld für die schönen Dinge des Lebens zu haben! Und jeder Mensch hat die Möglichkeit, dieses Geld zu bekommen. Leserstimmen zur 1. Auflage „Ich habe Herrn Sonnenburg vor einigen Jahren im Frankfurter Kongresszentrum persönlich kennen gelernt und war total beeindruckt von dieser Persönlichkeit. Dieser Vortrag hat mein Leben verändert und ich kann dieses Buch nur empfehlen. Allerdings ist es ein Arbeits- und kein Lesebuch.“ - Dagmar Donko, 17.04.2014 „Perfektes Buch für Macher: Also dieses Buch war die Initialzündung für meine Karriere, habe auch schon Workshops von Herrn Sonnenburg besucht! Sehr empfehlenswert! Er gibt Tipps und Tricks die sofort Umsetzbar sind, mit einem Besuch bei einem seiner Veranstaltungen konnte ich es richtig verankern! Ein tolles Geschenk an sich selbst zur Entwicklung von Beruf, Freizeit und Familie!“ - dave, 22.10.2012 „Ein Arbeitsbuch für die, die aus dem Hamsterrad heraus möchten, und aufhören mit Rechtfertigungen und Erklärungen für ihr persönliches Dilemma. Es gibt einige Bücher zu diesem Thema, meistens aus dem Amerikanischen übersetzt, doch auch wenn der Tenor dieser Bücher ähnlich scheint, so ist das Buch von Wolfgang G. Sonnenburg eine bessere Beschreibung für den Weg aus dem Hamsterrad des täglichen Konsums sowie der Zins- und Zinseszinszahlungen. Der Vorteil dieses Buch liegt eben auch in der Tatsache, dass der Autor das Umfeld im deutschen Sprachraum sehr gut kennt und auch passend benennt. Wer sich die offenen Worte des Autors zu Herzen nimmt und konkret anfängt, seine Erkenntnisse und die hilfreichen Empfehlungen ernst zu nehmen und mit ganzem Herzen umzusetzen, ohne Wenn und Aber, hat die besten Chancen, in die finanzielle Unabhängigkeit zu kommen. Dieses Buch ist mehr als empfehlenswert, es ist MUSS für Jeden der bereit ist, alles zu tun, um finanziell unabhängig zu werden.“ - Willi Wende, 18.11.2012 „So schaffen Sie sich Ihr Wohlstandsbewußtsein: In diesem Buch erhalten Sie jegliches Wissen, um sich aus den Fesseln der Abhängigkeit und Armut zu befreien. Sie bekommen hiermit die Möglichkeit, sich Ihr Wohlstands- und Reichtumbewußtsein, zu schärfen und grundlegend zu schaffen. Vor allem ändert es Ihre Einstellung zu Reichtum und Geld! Und es zeigt Ihnen auf, warum Sie heute in den Umständen leben, wie sie leben, UND wie Sie sich dort herausbegeben können! Es zeigt Ihnen ein leicht umsetzbares 7-Punkte-Erfolgsprogramm auf, was für jeden umsetzbar ist und vom Autor selbst praktiziert wurde, und Ihn selbst zum mehrfachen Selfmade-Millionär gemacht hat. Prädikat: Sehr empfehlenswert und wert-voll!“ - Stefan Berns, 04.02.2009 „Sehr gute Lektüre, für Geist und Spirit sehr zum empfehlen. Herr Sonnenburg hat einen sehr offenen, ehrlichen Schreibstil und viele zahlreiche Zitate die kraftvoll aufmuntern. Klare und präzise Wege zum Erfolg. Ein Buch zum weitersagen!“ - Corazon, 28.09.2009
