Powerful imagery creates a 'you are there' immersion in the story of the post-Flood world. Kacy Barnett-Gramckow fans raved about her extraordinary job of moving the Flood off the Sunday School flannelgraph board and into life in the Heavens Before. Now, she continues to flesh out the Bible's brief account of the rise of Nimrod and the Babel rebellion with scintillating characters and a wealth of imaginative detail. What more can be said about a book than that all Americans should read and think about it? In this time of challenges for America, here is a reasonable, readable, passionate, balanced book telling the tale of our nation's meaning from before its founding until the present day. It captures the

original American spirit of hunger for liberty and opportunity, of love of God, and of reverence for honest hard work. Written by a man who has served our country all his life and knows why he has done this, the book reminds America in reasoned words and well-written prose of our founders' words and intentions. Will echoes patriot voices, old and new, holding up a standard of truth, self reliance, tolerant mercy to others, and most of all — the standard of liberty. Will traces our founding principles, the rise and effect of progressive politics, and the horrible threats America faces today. He explains how we must all be aware and active. Most importantly, he tells us all what we can and must do to see that America does not perish from the earth. Today, Americans need this book. We need to read it before our next election. Enjoy and profit from your time with Will —, I have! A hermeneutics book for the common person. Readers will appreciate the scholarly, yet readable style of Roy Zuck, former Professor of Bible Exposition at Dallas Theological Seminary. A study of the figurative material in Matthew's gospel throws fresh light on the role of the Matthean parables and on the circumstances which led to the creation of Matthew's gospel. Rocks firmly anchored to the ground and rocks floating through space fascinate us. Jewelry, houses, and roads are just some of the ways we use what has been made from geologic processes to advance civilization. Whether scrambling over a rocky beach, or gazing at spectacular meteor showers, we can't

get enough of geology! The Geology Book will teach you: What really carved the Grand Canyon. How thick the Earth's crust is. The varied features of the Earth's surface - from plains to peaks. How sedimentary deposition occurs through water, wind, and ice. Effects of erosion. Ways in which sediments become sedimentary rock. Fossilization and the age of the dinosaurs. The powerful effects of volcanic activity. Continental drift theory. Radioisotope and carbon dating. Geologic processes of the past. Our planet is a most suitable home. Its practical benefits are also enhanced by the sheer beauty of rolling hills, solitary plains, churning seas and rivers, and majestic mountains - all set in place by processes that are relevant to today's entire population of this spinning rock we call home. The Modern Creation Trilogy is the culmination of decades of study of the classic confrontation between evolution and creation. Authors Henry Morris and John Morris (president of the Institute for Creation Research) detail the case for Biblical creationism. Book One: Scripture & Creation; Book Two: Science & Creation; Book Three: Society & Creation. A suspense-filled mystery which answers an ominous question: Who will be found worthy to live; who is the next victim? After the deadly investigation into the Smithsonian murders, Dinah Harris is now facing a daily battle to keep her sobriety while struggling to form a new career from the ashes of her former job as an FBI agent. From the shadows will emerge a cunning and terrifying

killer, who carefully and methodically will decide whose life has value to society and whose does not. Using her profiling and security skills as a private consultant based in Washington, DC, Dinah uncovers a connection to the shadowy world of neo-eugenics, and those who publicly denounce the killings but privately support a much different view. Against this backdrop, Dinah must come to terms with her own past, as those associated with the deepening mystery face their own personal demons, and struggle with the concept of God's inexhaustible grace and forgiveness. Old secrets are revealed, tragedies unearthed, and the devastating legacy of science without compassion is finally brought to light. The second in a powerful new fiction trilogy!

Noah learns about the Most High while standing against a sinister belief system emerging throughout the land. Whether escaping legendary beasts, tracking kidnappers, or pursuing his future wife, Noah acquires the skills he will need when God calls him to his greatest adventure: surviving the global Flood. Witness the struggle of a righteous man's battle against a culture that thought of evil continually. Explore what it may have been like for a righteous man to relate to God before the Bible was written. Non-fiction portions in the back of the book help explain historical concepts and provide

teaching sections that deal with issues and concerns that arise in the account. Gain fresh insights into the people and events of the pre-Flood world through the engaging, adventure-filled first novel of the Remnant Trilogy. NANO Fiction (print ISSN 1935-844X; digital ISSN 2160-939X) is non-profit literary journal that publishes flash fiction—a form of short story also known as micro fiction, micro narrative, micro-story, microrrelatos, postcard fiction, the short short, the short short story, kürzestgeschichten, and sudden fiction—of 300 words or fewer. Featuring twenty to thirty authors in each issue, NANO Fiction has roots that draw from Aesop's Fables and Zen Koans. Notable practitioners of this prose form include Lydia Davis, Franz Kafka, Italo Calvino, Ignacio Martínez de Pisón, Naguib Mahfouz, and Linor Goralik, among others. This issue of NANO Fiction features works by: Lizzy Acker, Genevieve Betts, Blake Butler, Katherine Lien Chariott, Katie Cortese, James Davis, Brandon Scott Gorrell, David Grimes, Amy Holwerda, M. "12-12-12" is the story of a great nation falling apart and one young man's quest for meaning in the midst of chaos. It takes the stuff of reality and pitches it to a high scream. Open your mind but cover your ears. Knowledge is bliss but it's loud and

painful. Yet somehow still funny. "12-12-12" manages to tell it like it is by telling it like it isn't. Granted, this is not what actually happened during 2012. But what unfolds is not more implausible. Nor is it less implausible. It's dark, ironic, witty, at times surrealistic and just plain weird. One reviewer calls it "laugh-out-loud brain food for hungry minds." I am in love with Dante Berlin. He is my soulmate. He saved my life. This may sound perfect, but I know the truth. Dante is an Undead. Soon he will turn twenty-one, death will finally claim him, and I will lose him for ever. Only one thing can save our love - the secret of the nine sisters. Yet as I get closer to the secret, I am haunted by nightmarish visions that hint at a discovery so dangerous it may cost me my life. But no sacrifice is too great to keep Dante and me together... "I would suggest holding onto your seat because you're about to fly off. Amazing." - Dark Readers Blog This set includes all three books of the Genesis Trilogy: The Heavens Before, He Who Lifts the Skies, and A Crown in the Stars. In The Heavens Before, Annah, marginalized by society and mistreated by her own family, befriends a young man she's never seen before. Shem is captivated by Annah's courage, and he risks everything to help her gain her freedom. Trusting in the Most High, Annah marries Shem and joins her strange new family in their solitary faith that will ultimately separate them from an ancient world of amazing beauty and appalling violence -- a world fast approaching the unimaginable

catastrophe of the Great Flood. Out of this chaos, only eight people will survive. Their world is our world. Their future is our own. In He Who Lifts the Skies, powerful imagery creates a 'you are there' immersion in the story of the post-Flood world. Kacy Barnett-Gramckow fans raved about her extraordinary job of moving the Flood off the Sunday School flannelgraph board and into life in The Heavens Before. Now, she continues to flesh out the Bible's brief account of the rise of Nimrod and the Babel rebellion with scintillating characters and a wealth of imaginative detail. In A Crown in the Stars, the story follows the growing rebellion of mankind as the tribes of the earth continue building the great tower begun by Nimr-Rada (commonly known as Nimrod). After the Most High Himself thwarts their plans by confounding human speech, He comforts His followers by revealing to them the identity of Avram, father of the tribe that will bring forth their savior, the Promised One. Time is finally running out. Mankind, with its wickedness and false religion, is reaching a point of no return, and Noah must fulfill God's plan. Noah has experienced tragedy and loss yet has chosen to stand fast in his faith in the Creator. Judgment is approaching - but vengeance still stalks this righteous man who must do what has never been done to save the last remnants of this lost, antediluvian world. This is the final book in the popular Remnant Trilogy. Provides a unique perspective into the events of the Flood and the Ark Including fascinating connections to the

popular Ark Encounter Answers important questions about historical and biblical details A boxset of the Jilted Wives Club, Books 1-3, by Bethany Lopez, including Starter Wife, Trophy Wife, and Work Wife. Starter Wife - Divorced and jobless at forty-something, Whitney never thought she'd be starting over and nothing has prepared her for Luca. Trophy Wife - Summer wants to prove she's more than a Trophy Wife. Sure, she's sexy, sweet, and has a body that won't quit, but she's so much more, and she'll do whatever it takes to prove it to Noah. Work Wife - Margo will never be a Work Wife again, but there's something about Aiden that makes her want to let down some walls and see what happens. Als Dr. Roberta J. Cole beschließt, ihre kriselnde Ehe und die Karriere in der Bostoner Großklinik hinter sich zu lassen, um Landärztin zu werden, erfährt ihr Leben eine ungeahnte Wende. Inmitten der grünen Hügel von Massachusetts trifft sie auf den Aussteiger David Markus aus New York. Schon bald kommen die beiden Stadtflüchtlinge sich näher. Aber nicht nur Markus kämpft mit Problemen, vor denen er vergeblich zu fliehen sucht. Auch seine Tochter Sarah steht vor der schwierigsten Entscheidung ihres Lebens - und braucht die Hilfe von Roberta, der Frau, die ihr den Vater wegzunehmen droht ... **IMMERSE YOURSELF IN THE WONDERS OF THE EARLY EARTH!** Packed with action, adventure, and heartbreak, the second installment of the Remnant Trilogy continues the imaginative and respectful look at the life of this hero of the faith as God shapes

him into the man who eventually saves humanity's future. As wickedness increases across the land, Noah and his loved ones endure painful consequences of a world bent on evil. King Lamech expands his rule through deception and force, but does his kindness toward Noah hint that things may change? Noah and Emzara explore their world and their eyes are opened anew to the creative genius of the Most High, yet mankind's wretchedness threatens to upend their peaceful corner of the world. While tracking down the perpetrator of a malicious crime, they are tested by tragedy and must decide if they will sacrifice everything for truth and justice. After years of serving God, Noah reaches a crisis of faith due to his mounting frustrations with the proliferation of sin and the apparent silence from the Creator. Thrust into a series of perilous situations, Noah's deepest convictions are challenged. His response will direct his course and change the world forever. More than just a novel, Noah: Man of Resolve features non-fiction sections in the back of the book that provide answers to popular questions about the time in which Noah lived and explain where certain characters and events from the book can be seen at the Ark Encounter in Williamstown, Kentucky. Der internationale Bestseller des preisgekrönten Historikers Yuval Noah Harari Vor 100 000 Jahren war der Homo sapiens noch ein unbedeutendes Tier, das unauffällig in einem abgelegenen Winkel des afrikanischen Kontinents lebte. Unsere Vorfahren teilten sich

den Planeten mit mindestens fünf weiteren menschlichen Spezies, und die Rolle, die sie im Ökosystem spielten, war nicht größer als die von Gorillas, Libellen oder Quallen. Vor 70 000 Jahren dann vollzog sich ein mysteriöser und rascher Wandel mit dem Homo sapiens, und es war vor allem die Beschaffenheit seines Gehirns, die ihn zum Herren des Planeten und zum Schrecken des Ökosystems werden ließ. Bis heute hat sich diese Vorherrschaft stetig zugespitzt: Der Mensch hat die Fähigkeit zu schöpferischem und zu zerstörerischem Handeln wie kein anderes Lebewesen. Anschaulich, unterhaltsam und stellenweise hochkomisch zeichnet Yuval Harari die Geschichte des Menschen nach und zeigt alle großen, aber auch alle ambivalenten Momente unserer Menschwerdung. Das E-Book beinhaltet ein exklusives und sehr persönliches Gespräch mit Yuval Noah Harari, in dem er verrät, warum er „Eine kurze Geschichte der Menschheit“ geschrieben hat, ob er an den Fortschritt glaubt und ob wir trotz der aktuellen Welle des Terrorismus wirklich im friedlichsten Zeitalter leben. Er erzählt von seiner jüdischen Herkunft und dem Einfluss seiner sexuellen Identität auf seine Forschung. This work is the only comprehensive guide to sequels in English, with over 84,000 works by 12,500 authors in 17,000 sequences. Breaks new ground by analyzing four recent rewritings of the Noah myth not just as ideological statements but as literary artifacts and by contextualizing them within the wider crises of

the Anthropocene. The past generation has been an extraordinarily active one in medieval drama scholarship; our appreciation of the range of medieval drama has been significantly broadened, and our understanding of certain medieval genres—most notably, biblical drama—has been fundamentally altered. The Broadview Anthology of British Literature has been widely praised for the degree to which it has taken this scholarship into account in its selection of and presentation of medieval plays. Now Broadview launches a new anthology that takes those plays as its base while expanding very substantially beyond them to represent the full range of drama in English (and, where strong connections exist, in French, Latin, Cornish, and Welsh as well) through to 1576. In all, over forty plays are included. Each work has been fully annotated and is prefaced by a substantial introduction. In many cases the language is to some extent modernized in order to make the plays more accessible to readers today. Reading the World's Stories is volume 5 in the Bridges to Understanding series of annotated international youth literature bibliographies sponsored by the United States Board on Books for Young People. USBBY is the United States chapter of the International Board on Books for Young People (IBBY), a Switzerland-based nonprofit whose mission is bring books and children together. The series promotes sharing international children's books as a way to facilitate intercultural understanding and meet new literary voices.

This volume follows Children's Books from Other Countries (1998), The World through Children's Books (2002), Crossing Boundaries with Children's Books (2006), and Bridges to Understanding: Envisioning the World through Children's Books (2011) and acts as a companion book to the earlier titles. Centered around the theme of the importance of stories, the guide is a resource for discovering more recent global books that fit many reading tastes and educational needs for readers aged 0-18 years. Essays by storyteller Anne Pellowski, author Beverley Naidoo, and academic Marianne Martens offer a variety of perspectives on international youth literature. This latest installment in the series covers books published from 2010-2014 and includes English-language imports as well as translations of children's and young adult literature first published outside of the United States. These books are supplemented by a smaller number of culturally appropriate books from the US to help fill in gaps from underrepresented countries. The organization of the guide is geographic by region and country. All of the more than 800 entries are recommended, and many of the books have won awards or achieved other recognition in their home countries. Forty children's book experts wrote the annotations. The entries are indexed by author, translator, illustrator, title, and subject. Back matter also includes international book awards, important organizations and research collections, and a selected directory of

publishers known for publishing books from other countries. From #1 NY Times Bestselling Author Barbara Freethy comes the second book in a new romantic suspense trilogy: Lightning Strikes. In these connected novels, lightning leads to love, danger, and the unraveling of long-buried secrets that will change not only the past but also the future... Katherine Barrett, a dedicated young doctor, receives a terrified phone call from her brother, TJ. He is running away to Mexico to save himself and their family from an unnamed killer. He warns her not to come after him and not to go to the police, as there is no one she can trust. But Katherine realizes there might be someone she can trust... She turns to her former high school sweetheart Jake Monroe—the man whose heart she broke a decade earlier. Katherine asks Jake to fly her into a remote and dangerous part of Mexico where no one else dares to go. Jake had always thought that one day Katherine would realize she needed him, but he didn't expect it to go down this way. Still, he can't resist the beautiful blonde he has never been able to forget. They set off on an adventure that will take them into the past, unravel a decade of secrets, and lead them into the heart of a lightning storm that will change the way they look at their families, the world, and each other... "Mara Dyer continues to unravel the mystery of her powers and her relationship with Noah"-- Professor Noah Roth is possessive of his children - the children he created by genetic manipulation. When Ben and Hope took Holly and Blake in order to give them a better life, they knew their days were numbered. Continuously looking over their shoulders, they still missed it when the Clinic made their move by sending a group, along with two gifted after them. Adam and Deanna Roth thought they were on the right side of things, until they ran into the other two gifted - Holly and Blake. Presented with another perspective, Deanna and Adam agree to help Holly, Blake, and Sheriff Wyatt rescue Hope and Ben, as long as they help Deanna and Adam rescue the other siblings still under the control of Professor Roth. As the five head toward Maine, the youth group kids who became close to Blake and Holly over the last few weeks, decided to help them by doing research. Unbeknownst to them,

they stumbled onto information the Clinic did not want out. After each of their homes were invaded, the kids had to make a choice - join the others in the rescue attempt, or stay home, therefore putting their families in danger. Will they make it in time to help the others, or will they be too late? It's a Race Against Time! Joshua 1:9 - "Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go." "Time slips through our hands like grains of sand never to return again. Those who use time wisely are rewarded with rich, productive and satisfying lives." Robin Sharma Als Mara aus einem mehrtägigen Koma erwacht, erfährt sie, dass über ihr ein altes verlassenes Haus zusammengestürzt ist. Ihre beiden Freundinnen konnten nur tot geborgen werden, die Leiche ihres Freundes Jude wurde nicht gefunden. Mara hat keine Erinnerung an jene Nacht und begreift nicht, warum sie die Katastrophe als Einzige überlebt hat. Seit dem Unglück hat sie Alpträume und Visionen - immer wieder sieht sie ihre toten Freunde, bis sie nicht mehr weiß, was Realität ist und was Einbildung. Als sich die mysteriösen Todesfälle in ihrer unmittelbaren Nähe mehren, sucht sie Hilfe bei ihrem Mitschüler Noah. Doch der hat ein eigenes dunkles Geheimnis... From Creation to Our Story Today The first five books of the Bible—known as the Pentateuch or the Law—form the foundation for our heritage, our faith, and relationship with God today. In this

detailed, highly researched exploration of Genesis, Exodus, Leviticus, Numbers, and Deuteronomy, Dallas Theological Seminary professors help us understand the theological and historical context for the first five books of the Bible. From creation to the Ten Commandments to the beautiful reminders to follow God's ways, the biblical books of law offer us rich insight into how to live well in today's world. Mit der Kraft des spanischen Weins Nachdem er Zeuge eines kaltblütigen Mordes wurde, versteckt sich Josep vier lange Jahre in Frankreich. Abenteuerlicher Spannungsroman und historisches Liebesdrama - wie es nur Noah Gordon gelingt! If you lost the love of your life at an early age only to remeet them two decades later, how would you react? The game master has this situation unexpectedly presented before him. Will GM move forward? Or will the past keep him stuck in a rut? Eighteen-year-old Laken Sumner has just escaped from a strange man and a pack of aggressive wolves in the dark rain on a lonely mountain road. Normally, with her ability to communicate with wild animals, who can understand her thoughts, she wouldn't worry

about meeting such predators. But these wolves didn't respond to her at all. She tries to shrug it off, afraid to reveal her secret to Noah, her boyfriend and a deputy sheriff. What if he dumps her, thinking she's a freak? And what's with Xander, the new boy in town, who seems to know something about her secret abilities? None of the strange things now going on in her small town had ever happened until he showed up. When disaster strikes and Laken is forced to confess her secret to Noah, her worst fears are realized as he backs away from her. Xander is more than willing to step into Noah's shoes with Laken, but she doesn't trust him. And Noah will be back, won't he? THE DEATH CHRONICLES TRILOGY DON'T FEAR THE REAPER (Book 1): The day Nick Ramsay's eighth-grade teacher drops dead in his classroom, Nick sees his first reaper. When another cloaked figure appears at his grandmother's bedside, Nick issues an order for the vile creature to leave her alone. This simple act of defiance creates a domino effect that brings Fate and Death to Nick's door and reveals his true lineage, throwing his world into chaos. To make matters worse, a group of rogue reapers declares war on humanity and Nick is the only one who can stop them. HIGHWAY TO HELL (Book 2) Nick Ramsay thinks there's nothing worse than starting high school in a new town, especially in the sweltering Florida heat. But being cast as an outsider is a far cry from the danger of his pending rescue mission to Purgatory to save his

father from the grip of Leviathan. KNOCKING ON HEAVEN'S DOOR (Book 3) As a senior in high school, Nick Ramsay should be focusing on his college choices, but instead, he's dealing with a tear between his world and Purgatory. Leviathan and a dozen demons are running amok in central Florida and Nick must herd them back into the underworld before Heaven opens its gates and sends down a pack of angry angels to clean up the mess. A guide to series fiction lists popular series, identifies novels by character, and offers guidance on the order in which to read unnumbered series. In this thrilling second book of the Earthborn trilogy, Lucas and Asha have survived the decimation of Earth at the hands of the invading Xalans and seek safe haven with their enemy's true foes, the Sorans. They find a lush planet inhabited by a civilization far more advanced than their own, waging a seemingly endless war against a constantly evolving enemy. The Sorans call the pair of them the "Earthborn" and they're welcomed as heroes, almost as gods. To an audience of billions, they swear an oath to avenge their fallen planet by aiding the Sorans in their war against Xala. But soon Lucas and Asha find Sora just as dangerous as apocalyptic Earth when they're targeted by the Fourth Order, a rebel collective who decries them as false prophets and harbingers of further bloodshed. Their friend and turncoat Xalan scientist Alpha believes he's located someone who can help them turn the tide of the war for good, stranded on a conquered colony planet.

But landing on the new world, Lucas and Asha find themselves hunted by a violent, mysterious beast, known only as the Desecrator, let loose by the Xalans. Escaping Earth was only the beginning. As Lucas and Asha quickly learn, the universe has worlds and creatures far more dangerous than anything their home planet could have offered, and their continued survival hinges on gaining new allies they never could

have imagined. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror

(zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
