Faroes Islands Business Law Handbook Volume 1 Strategic Information and Basic Laws The International Trade and Business Law Review publishes leading articles, comments and case notes, as well as book reviews dealing with international trade and business law, arbitration law, foreign law and comparative law. It provides the legal and business communities with information, knowledge and understanding of recent developments in international trade, business and international commercial arbitration. The Review contributes in a scholarly way to the discussion of these developments while being informative and having practical relevance to business people and lawyers. It also devotes a section to the Willem C. Vis International Commercial Arbitration Moot and publishes the memoranda prepared by teams coached by Professor Gabriël A. Moens. The Review is edited at the Murdoch University School of Law in Perth, Australia. The Editors-in-Chief are Mr Roger Jones, Partner, Latham & Watkins LLP, Chicago and Gabriël A. Moens, Dean and Professor of Law, Murdoch Law School. It is an internationally-refereed journal. The Review is supervised by an international board of editors that consists of leading international trade law practitioners and academics from the European Union, the United States, Asia and Australia. The Student Editors for Volume XI are Adam Totaro and Peter Clay from the Murdoch Law School. This innovative text combines clear explanations with a wealth of infographics that visually compare, contrast, and reinforce legal concepts. Examples and case excerpts focus attention on how the law is being applied and the logic behind each ruling. Key Benefits: Logical reasoning and infographics—flowcharts, timelines, figures, and graphs – help students understand on the logical underpinnings of the law as it applies to business. Examples throughout that reinforce understanding and show how the law is applied in practice. Carefully edited excerpts of real cases. Self-test review and exam-prep questions. Packed with current examples and engaging scenarios, BUSINESS LAW AND THE LEGAL ENVIRONMENT, STANDARD EDITION, 7E has earned the stamp of approval from trial and appellate judges, working attorneys, scholars, and teachers for its full breadth of business law coverage. Extremely reader-friendly, the text is known for its lively, conversational writing style that explains complex topics in easy-to-understand language as it illustrates how legal concepts apply to everyday business practice. The seventh edition includes a new emphasis on the digital landscape, expanded coverage of international law, and new information on privacy issues. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Elliott Hahn provides Western business leaders and their attorneys with an understanding of the complexities of the Japanese business and legal systems. It presents an overview of Japanese business law, a detailed analysis of the specific role of attorneys in Japan, and enlightenment on the Japanese legal interpretation of important issues such as anti-trust, contract, and patent and trademark laws. Hahn provides practical guidance for the Westerner on how to negotiate and act within the Japanese legal system and the specifics of Japanese business, licensing, and contract law. Finally, he gives the reader insights into many of the nuances underlying the beliefs, customs, modes of behavior, and values of the Japanese people. Tables, charts, and graphs complete this valuable information source. Discover the help you need to better understand today's law and prepare for the CPA Exam with this helpful, comprehensive Study Guide. Helpful chapter checkpoints, study tips, chapter outlines, key terms definitions, as well as a variety of questions for each chapter and each part prepare you for testing success. A special review section assists you in preparing for the business law portion of the CPA exam. Praised for its relevant, straightforward coverage, ESSENTIALS OF BUSINESS LAW AND THE LEGAL ENVIRONMENT, 13E illustrates how to apply legal concepts to business situations. This comprehensive, yet succinct, reader-friendly approach provides a depth of coverage ideal for business success and CPA exam preparation without technical jargon. Integrated and summarized landmark and recent cases work with more than 220 figures, tables, diagrams, and summaries to ensure understanding. Key legal terms are clearly defined and illustrated, while numerous examples relate material to real life. Critical-thinking features strengthen analytical skills as readers acquire a fundamental knowledge of the principles of law that apply to business transactions. Gain insight into the function and operation of courts and administrative agencies and learn to recognize potential legal problems in business. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. This comprehensive survey uses carefully selected cases to demonstrate how laws affect the business activities most important to business people. Its distinguished author team, outstanding cases, innovative inserts on ethics, and variety of review problems set Modern Business Law apart from other texts. A new integration of ethical and international issues continues to make this text appealing to students and professors. The third edition is expanded in scope and coverage from 48 to 59 chapters. There are seven all-new chapters and most chapters have been extensively revised and/or extended. A new editor/author, David Cohen, who is both a business law professor and professional writer, has worked on the entire multi-authored manuscript to give it greater coherence. A market leader used by more colleges and universities than any other business law

text, West's Business Law continues to set the standard for making classic black letter law accessible, interesting, and relevant to business students. This Tenth Edition refines and builds upon traditions established when the book was first introduced: authoritative content blended with cutting-edge coverage of contemporary topics and cases and an unmatched selection of innovative, high-quality support materials. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. This book provides a general introduction to a number of central areas in Danish business law. The title aims at enabling foreign readers - whether seeking information on Danish law for practical purposes, in study contexts or for other purposes - to get a broad insight into various parts of Danish law of particular relevance to the business community by means of one single exposition in the field. The account comprises both areas of purely national (Danish) law and areas in which an international influence has affected the Danish legal position. The foreign reader is likely to come across treatments of rules or sets of rules which are identical, in part or in full, with the rules in force in his/her own country. INTERNATIONAL BUSINESS LAW: CASES AND MATERIALS is a timely and useful book. Uncounted millions of "international" transactions occur daily, as goods and services are purchased across the national boundaries of some 200 political units. Capital flows from nation to nation, and so—to a lesser extent—do jobs, as companies seek more favorable locations for their business operations. The "rules" (laws) governing these exchanges quickly become complex, as persons (and governments) from different countries are involved. If problems arise in a cross-border relationship, whose rules apply? What forums are available to resolve disputes? Are there tax implications to the transaction? If so, where? These and similar questions need to be factored into the decision to "go overseas." Each of the six chapters in this book begins with a brief overview of the subject-matter, followed by short previews of the chosen case examples. The primary content of the chapters consists of some 120 court and arbitration decisions in real disputes, between real parties. The actual text of the decisions in these cases has been edited; some excerpts are quite brief, others are more substantial. Most "background" facts have been summarized by the author, but the edited-decision part of each case is quoted from the actual recorded text of the court or arbitrator who decided it. Clearly, a minute sample from tens of thousands of cases cannot provide comprehensive coverage of what all the world's legal rules are. Our objectives here are simply to indicate some of the major potential "flash points" of doing international business, to illustrate some of the significant differences in the applicable legal rules, and to provide an exposure to the language and process by which international business disputes are resolved. "Fore-warned is fore-armed." Being aware of these potential trouble spots, a sensible business manager will presumably consider them in making the decision to engage in cross-border transactions, and take appropriate steps to avoid or minimize potential adverse consequences. Chapter I of this book introduces International Law—its course of development and its two major sources (custom and treaties). Chapter II examines the use of national and international courts and arbitrators to resolve cross-border disputes. Chapter III provides basic coverage of the United Nations Convention on Contracts for the International Sale of Goods: when it applies, how the sale contract is formed, when risk of loss on the goods passes from Seller to Buyer, and what responsibilities the Seller has for the quality of the goods sold. Chapter IV looks at some of the legal questions that might arise in conducting cross-border commercial operations—employment issues, intellectual property issues, and investment issues. Chapter V considers potential questions regarding taxation of international activities, and the regulation of adverse environmental effects. Chapter VI reviews the efforts by national governments to apply their competition regulations to international business transactions, and the difficulties that private parties might have in attempting to enforce legal claims against governments and their agencies. While these are surely not the only legal issues that might arise in connection with international business, they do constitute a significant set of concerns of which managers need to be aware as they venture into the international "stream of commerce." Business Law contains detailed coverage of partnerships, company law, taxation, EC law, and insolvency, making the book ideally suited to the Legal Practice Course. Statutory references encourage students to refer to primary sources while development questions at the end of the book allow students to test their awareness of the issues raised. The most complete, credible, and authentic business law text available, the Sixteenth Edition of SMITH & ROBERSON'S BUSINESS LAW by Richard A. Mann and Barry S. Roberts continues a long tradition of accuracy, thoroughness, and consistent coverage of the latest issues and emerging trends. This updated classic delivers a comprehensive, detailed presentation of business law that covers all topics included in the business law section of the certified public accountant (CPA) exam. In addition, this text covers the legal responsibilities and liabilities of accountants section and the corporate governance portion of business environment and concepts section of the CPA Exam. The cases--located at the end of each chapter--offer an excellent mix of landmark and current decisions and are edited to preserve a large portion of the language of the court. Proven, comprehensive, and completely up-to-date, this trusted and thorough text will challenge and engage your students--and ensure they leave your class with a solid understanding of modern business law. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. This book presents a clear and precise overview of the key aspects of German business law. It was written by attorneys involved in the daily practice of business law in Germany and is aimed at people who wish to orient themselves quickly with the German legal system and the manner in which it impacts business purchases, establishment, operations and liquidations. The first section of the book is devoted to an explanation of the major issues to be considered in acquiring or establishing a business in Germany. The second section focuses on areas of commercial law that are important for an operating business. In comparison to the last edition four new areas (transportation law, customs regulations, insurance law and state liability law) are treated. The following sections deal with labor law as an independent part of German business law and with computer law. Furthermore, procedural law and European law are addressed. Finally, the last two sections of the book are devoted to an overview over the German tax law, which has an enormous impact on business decisions, and IP law. In all sections special attention has been paid to highlighting and explaining the differences between the German legal system and that of the United States. Nevertheless, the intention is to provide information that will prove valuable to all foreigners, particularly business men and women and lawyers advising clients with an interest in doing business in Germany. International Business Law and the Legal Environment provides business students with a strong understanding of the legal principles that govern doing business internationally. Not merely about compliance, this book emphasizes how to use the law to create value and competitive advantage. DiMatteo's transactional approach walks students through key business transactions—from import and export, contracts, and finance to countertrade, dispute resolution, licensing, and more—giving them both context and demonstrating real world application. This new edition also includes: New material on comparative contract and sales law & European private law; joint ventures and collaborative alliances. A new part on foreign direct investment that includes a chapter on emerging markets. New chapters on privacy law, and on environmental concerns. Greater coverage of the World Trade Organization. "Case highlights" and court opinions that feature edited court transcripts which expose students to actual legal reasoning and an understanding of the underlying legal principles. These decisions are drawn from a broad range of countries, offering a truly international look at the subject. Students of business law and international business courses will find DiMatteo's clear writing style easy to follow. A companion web site includes an instructor's manual, PowerPoints, and other tools to provide additional support for students and instructors. As per IP University Syllabus for BBA and B.Com. (Hons.) In an era of leveraged buyouts, hostile takeovers, rampant real estate speculation, and mounting malpractice suits, business people require a solid grasp of the principles and concepts of the law. FOUNDATIONS OF BUSINESS LAW AND LEGAL ENVIRONMENTS, 4TH prepares students to apply legal concepts to day-to-day business situations and to recognize when they need expert legal counsel, even if they never read another law case. The text combines a clear, concise style with numerous examples, summarized cases and current topics to help make the law relevant to today's students and the business world. The text addresses the full range of traditional business law topics using a simplified, understandable approach. The authors take special effort to present basic legal principles without an abundance of technical detail and legal jargon - making this an ideal choice for students with little or no exposure to business law. Interesting, clear, and applied, BUSINESS LAW TODAY: STANDARD EDITION is the ideal guide to the law and what it means in the business world--from contracts and secured transactions to warranties and government regulations. Easy to understand with an engaging writing style that is matched by vibrant visuals, BUSINESS LAW TODAY includes coverage of contemporary topics that impact not only the business world, but your life--from the financial crisis and its impact on business law to identity theft, immigration law, and diversity issues. product description or the product text may not be available in the ebook version. The seventh edition of Essentials of Business Law retains all of the strengths of past editions but has been revised and enhanced to cover the latest developments in the legal field. This text will help you discover a wealth of information and learning opportunities that will give a clear understanding of business law topics. This text will also help to identify, explain, and apply the principles of business law in your daily lives and in the larger world in which you live. Readers discover the excitement of cutting-edge business law as BUSINESS LAW TODAY: COMPREHENSIVE, 11E immerses learners in a wide selection of intriguing new cases and thorough coverage that reflects the latest developments in the field. This successful edition makes the study of business law appealing and relevant without sacrificing the legal credibility and comprehensive coverage. Each chapter's visually engaging, time-tested learning tools illustrate how law is applied to real-world business problems. Excerpted cases in the language of the court familiarize readers with legal language while emphasizing the relevance of case decisions. Readers see how landmark cases, statutes, and other laws significantly impact the way businesses today operate both within the United States and across the globe. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Business Law, 5th Edition (James et al.) is written for business students to provide a clear and accessible introduction to the legal system. Business law courses are the first exposure to law for many business students and the first time they are obliged to think deeply about the discipline. This updated edition presents business law in a practical context rather than the doctrinal context that many major legal publishers use. The Business Law interactive e-text features a range of instructional media content designed to provide students with an engaging learning experience. This includes practitioner videos from Herbert Smith Freehills, animated work problems and questions with immediate feedback. This new edition is a unique resource that can form the basis of a blended learning solution for lecturers. BPP Learning Media is an ACCA Approved Content Provider. Our partnership with ACCA means that our Study Texts, Practice & Revision Kits and iPass (for CBE papers only) are subject to a thorough ACCA examining team review. Our suite of study tools will provide you with all the accurate and up-to-date material you need for exam success. The legal dimension in managerial decisions is shown, and on-line resources provide current material to support the text. This fourth edition of Business Law offers comprehensive and accessible coverage of the key aspects of business law. Established legal topics such as the English legal system, Contract, Consumer, Intellectual Property, Company and Employment Law, and emerging areas such as Health, Safety and Environmental Law are all addressed in the context of business. The work has been thoroughly updated to include all the major recent developments in business law, such as the new EU Trade Secrets Directive and case outcomes decided since the publication of the last edition. The book also discusses the impact of Brexit. In addition, the book features extensive diagrams and tables, revision summaries, reading lists, and clear key case boxes for easy reference. This book is ideal reading for undergraduate law and business studies students, while also applicable to practitioners and those with a more general interest in business law. Focus on the basics of business law principles with BUSINESS LAW: TEXT AND EXERCISES, 9E. Written in user-friendly language, each chapter concentrates on one important topic, allowing readers to easily explore specific points of law and concepts. The authors have taken special care to provide straightforward descriptions, everyday examples, and varied exercises to help readers apply what they are reading and learning to real-life situations. Developed to provide a business law overview, this edition's short, concise chapters are punctuated with illustrative and timely features, including Highlighting the Point and real case summaries. Each chapter's learning tools clarify contemporary legal principles in a practical presentation that ensures readers gain a solid understanding of business law. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Commonwealth Caribbean Business Law breaks away from the traditional English approach of treating business law primarily as the law of contract and agency. It provides a broad overview of the foundation of various legal systems and goes on to examine the various areas of legal liability that may impact on business activities. These areas include tort law, criminal law, internet law and payment in business transactions. Specifically, the book targets the development of business law in several Commonwealth jurisdictions, including Canada and Australia, but with special focus on legal developments in Commonwealth Caribbean countries. The approach of the book is to present excerpts from judgments, so as to enable students to understand legal principles as espoused by the judiciary without the filtering bias of authors. This new title is essential reading for students taking the LLB and Business Degree courses in the Caribbean and other commonwealth jurisdictions. INTRODUCTION TO BUSINESS LAW, 4E presents the full range of business law topics in a series of brief, quick-reading chapters, perfect for single-semester or one-quarter courses. Accurate, comprehensive, and extremely reader-friendly, INTRODUCTION TO BUSINESS LAW, 4E uses an innovative storytelling style to bring cases and legal concepts to life. Plus, it highlights the material's business applications, so students can envision how they'll apply the content in their careers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
