The Divided Self Jan 01 2023 First published in 1960, this watershed work aimed to make madness comprehensible, and in

doing so revolutionized the way we perceive mental illness. Using case studies of patients he had worked with, psychiatrist R. D. Laing argued that psychosis is not a medical condition but an outcome of the 'divided self', or the tension between the two personas within us: one our authentic, private identity, and the other the false, 'sane' self that we present to the world.

Engel sind schwarz und weiss Nov 26 2019

Youth and Internet Addiction in China Dec 28 2019 A form of 'electronic opium' is how some people have characterised young people's internet use in China. The problem of 'internet addiction' (wangyin) is seen by some parents as so severe that they have sought psychiatric help for their children. This book, which is based on extensive original research, including discussions with psychiatrists, parents and 'internet-addicted' young people, explores the conflicting attitudes which this issue reveals. It contrasts the views of young people who see internet use, especially gaming, as a welcome escape from the dehumanising pressures of contemporary Chinese life, with the approach of those such as their parents, who medicalise internet overuse and insist that working hard for good school grades is the correct way to progress. The author shows that these contrasting attitudes lead to battles which are often fierce and violent, and argues that the greater problem may in fact lie with parents and other authority figures, who misguidedly apply high pressure to enforce young people to conform to the empty values of a modern, dehumanised consumer-oriented society.

Die Verteilung der Welt. Selbstbestimmung und das Selbstbestimmungsrecht der Völker May 13 2021

„Selbstbestimmung“ ist seit dem 18. Jahrhundert ein

philosophischer Schlüsselbegriff. Er verkörpert wie kaum ein anderer das neuzeitliche autonome Individuum. Seit der Mitte des 19. Jahrhunderts hat sich daraus die Formel vom Selbstbestimmungsrecht der Völker gebildet – sie ist 1966 ins Völkerrecht eingegangen. Wie ist aus dem individuellen ein kollektives Recht geworden? Der Sammelband geht den Wurzeln eines seit Lenin und Wilson ungeheuer erfolgreichen und eingängigen Schlagworts nach, das die Verteilung der Welt unter die Völker maßgebend beeinflusst hat. Mit Beiträgen von: Marina Cattaruzza, Wolfgang Danspeckgruber, Jost Dülffer, Heinz Duchhardt, Jörg Fisch, Marc Frey, Hans-Joachim Heintze, Peter Hilpold, Georg Kohler, Ramon Leemann, Kristina Roepstorff, Onuma Yasuaki, Heinhard Steiger, Stefan Wolff, Sacha Zala.

A Dark, Divided Self Feb 07 2021 The badly decomposed remains of a young woman are discovered just outside Birmingham, identified as a Manchester University student who disappeared three years earlier. Why would the killer transport the victim on an eighty-mile journey? Criminologist Will Traynor believes that finding the answer to that question is the key to cracking the case.

The Divided Self Aug 16 2021 Politics & government.

The Divided Self Nov 30 2022

Das Licht der letzten Tage May 01 2020 Niemand konnte ahnen, wie zerbrechlich unsere Welt ist. Ein Wimperschlag, und sie ging unter. Doch selbst jetzt, während das Licht der letzten Tage langsam schwindet, geben die Überlebenden nicht auf. Sie haben nicht vergessen, wie wunderschön die Welt war. Sie vermischen all das, was einst so wundervoll und selbstverständlich war, und sie weigern sich zu akzeptieren, dass alles für immer

verloren sein soll. Auf ihrem Weg werden sie von Hoffnung geleitet – und Zuversicht. Denn selbst das schwächste Licht erhellt die Dunkelheit. Immer.

Brief an den Vater Jun 01 2020 Zeit seines Lebens litt Franz Kafka unter der tyrannischen und manipulativen Art seines Vaters. In dem erst postum veröffentlichten „Brief an den Vater“ versucht er, die komplizierte Beziehung zu verarbeiten. Obwohl er lange mit sich gerungen hat, wurde der Brief nie abgeschickt. Der Text ermöglicht einen einzigartigen Einblick in die Beziehung Kafkas zu seinem Vater und wurde bereits vielfach als Grundlage für psychoanalytische und biografische Studien über den Autor zurate gezogen. Die thematisierten Konflikte haben auch mehr als 90 Jahre nach ihrem Erscheinen nichts von ihrer Aktualität eingebüßt.

Plato and the Divided Self Apr 11 2021 Plato's account of the tripartite soul is a memorable feature of dialogues like the Republic, Phaedrus and Timaeus: it is one of his most famous and influential yet least understood theories. It presents human nature as both essentially multiple and diverse - and yet somehow also one - divided into a fully human 'rational' part, a lion-like 'spirited part' and an 'appetitive' part likened to a many-headed beast. How these parts interact, how exactly each shapes our agency and how they are affected by phenomena like erôs and education is complicated and controversial. The essays in this book investigate how the theory evolves over the whole of Plato's work, including the Republic, Phaedrus and Timaeus, and how it was developed further by important Platonists such as Galen, Plutarch and Plotinus. They will be of interest to a wide audience in philosophy and classics.

Selected Works of R.D. Laing Aug 23 2019 This set reprints seven of Laing's major works, originally published between 1960 and 1971 and out of print for many years. Laing was an existential psychiatrist who offered a radical critique of abnormal behaviour and social and medical models for its treatment. He was critical of the extent to which psychoanalytic concepts may conceal or distort human experience and of the tendency to label the patient "sick" as opposed to looking at "sickness" in the patient's family or in society. It was Laing who argued that schizophrenia is not an illness but a label for another kind of problematic experience and behaviour. Laing's ideas have been particularly popular among those who object to the hypocrisy of society and its treatment of those considered to be abnormal. Available also as individual volumes, this set offers the ideal opportunity to replace missing or damaged volumes. Laing's works included in this set are: *

Volume One: *The Divided Self*: 0-415-19818-6: 241pp: £45.00 *

Volume Two: *Self and Others*: 0-415-19819-4: 186pp: £45.00 *

Volume Three: *Reason and Violence*: 0-415-19820-8: 184pp: £45.00 *

Volume Four: *Sanity and Madness in the Family*: 0-415-19821-6: 284pp: £45.00 *

Volume Five: *The Politics of the Family*: 0-415-19822-4: 142pp: £45.00 *

Volume Six: *Interpersonal Perception*: 0-415-19823-2: 189pp: £45.00 *

Volume Seven: *Knots*: 0-415-19824-0: 94pp: £45.00

Die 1%-Methode – Minimale Veränderung, maximale Wirkung Aug 04 2020 Der Spiegel-Bestseller Platz 1! Das Geheimnis des Erfolgs: »Die 1%-Methode«. Sie liefert das nötige Handwerkszeug, mit dem Sie jedes Ziel erreichen. James Clear, erfolgreicher Coach und einer der führenden Experten für Gewohnheitsbildung, zeigt praktische Strategien, mit denen Sie

jeden Tag etwas besser werden bei dem, was Sie sich vornehmen. Seine Methode greift auf Erkenntnisse aus Biologie, Psychologie und Neurowissenschaften zurück und funktioniert in allen Lebensbereichen. Ganz egal, was Sie erreichen möchten – ob sportliche Höchstleistungen, berufliche Meilensteine oder persönliche Ziele wie mit dem Rauchen aufzuhören –, mit diesem Buch schaffen Sie es ganz sicher.

A Place Called Self - A Companion Workbook Dec 08 2020
The much-requested workbook to guide readers through *A Place Called Self*, Dr. Stephanie Brown's new modern classic for recovering women. Some people mistakenly believe recovery from an addiction is about not drinking, or not using drugs, or not doing whatever the behavior was that got them into so much trouble. They may think that recovery means you are no longer out of control, or that recovery means being abstinent. Recovery, however, is not this simple. Becoming abstinent is an event. Recovery, on the other hand, is a long-term process of radical growth and change which follows this event. Recovery is not a quick fix. *A Place Called Self* is for women in recovery who have discovered that sobriety, with all its hard-won joys, can still be a lonely, terrifying place. And she has work to do. This companion workbook for *A Place Called Self* will lead readers through each chapter and help them make concrete what often remains unspoken.

Wholeheartedness May 25 2022 I'm being pulled in a thousand different directions. As a therapist, Chuck DeGroat hears that line all the time. "I hear it from students and software developers," he says. "I hear it from spiritual leaders and coffee baristas. And I

hear it from my own inner self.” We all feel that nasty pull to and fro, the frantic busyness that exhausts us and threatens to undo us. And we all think we know the solution — more downtime, more relaxation, more rest. And we’re all wrong. As DeGroat himself has discovered, the real solution to what pulls us apart is wholeheartedness, a way of living and being that can transform us from the inside out. And that’s what readers of this book will discover too.

Writer's Divided Self In Bulgakov's The Master And Margarita

Jan 09 2021

The Divided Self Nov 06 2020 'Graeme Hetherington's ninth collection of poems portrays the poet's troubled journey to escape an 'afflicted self' shadowed with loneliness and paranoia. During the journey, the poet feels 'twisted and deformed' as he confronts a personal sense of psychological dislocation - a divided personality and confused sexual identity. Such feelings are the poet's 'demons of despair' that prompt in him a sense of complete dispossession, emptiness and rejection of humankind. No matter how long the journey and how far from the past the poet travels, he is trapped and haunted by these demons whose power colours the diction and imagery of his poetry. Tautly crafted short stanzas with references and images connoting blackness, punishment and curse, such as Mount Black's shadows on Tasmania's West Coast, the cat-o'-nine-tails, Coleridge's albatross and the scourge of Christ's crucifixion, convey the depth of the poet's despair. Despite the poet's desire to escape the 'darkness of the past', the reader senses that the power of his personal psychological drama will challenge his search for transcendence. The poet will certainly continue to seek poems that 'soar beyond' the theatre of the self,

but they will provide perhaps only temporary respite as he continues to experience personal uncertainties and pain.' - Ralph Spaulding

Healing the Divided Self Feb 28 2020 Rich in case examples, this book provides a step-by-step guide for the use of hypnotic techniques in the treatment of the entire spectrum of dissociative disorders.

Plato and the Divided Self Apr 23 2022 Investigates Plato's account of the tripartite soul, looking at how the theory evolved over the Republic, Phaedrus and Timaeus.

Der Mann im grauen Flanell Oct 25 2019 Der moderne Klassiker der amerikanischen Nachkriegsliteratur Tom und Betsy Rath sind ein junges Paar, sie haben drei gesunde Kinder, ein schönes Zuhause in einem netten Vorort von New York und ein regelmäßiges, wenn auch nicht üppiges Einkommen. Eigentlich haben sie allen Grund, glücklich zu sein. Doch irgendwie sind sie es nicht. Tom pendelt Tag für Tag in die Stadt, wo er einem unspektakulären Bürojob nachgeht – seit er aus dem Krieg zurückgekehrt ist, hat er sich ohnehin verändert, ist verschlossen und launisch. Betsy fühlt sich unverstanden. Nach einem Karriereschritt hat Tom bald keine Zeit mehr für sein Privatleben. Ist es das, was Tom wirklich will? Als er auf einen alten Kameraden aus dem Krieg trifft, gerät sein Alltag vollends aus den Fugen, Tom muss sich seiner Vergangenheit stellen und eine Entscheidung treffen, die sein Leben grundsätzlich verändern wird. ›Der Mann im grauen Flanell‹, im Original 1955 veröffentlicht und sofort ein Bestseller, vermittelt wie wenige andere Romane den Geist der fünfziger Jahre. Zu Recht gilt er als moderner Klassiker und verdient es, zusammen mit den Werken

von Richard Yates, John Cheever und Raymond Carver genannt zu werden. Der Buchtitel war so treffend, dass er im Englischen zu einem feststehenden Begriff wurde. Nun liegt der Roman in einer zeitgemäßen deutschen Übersetzung vor.

The Divided Self Oct 18 2021

The Divided Self of William James Sep 16 2021 A study of the multiple directions of James's philosophy.

A Dark, Divided Self Jul 15 2021

Psychology of Spirituality Sep 28 2022 This book is written for those who ask difficult questions: What is the nature of human reality? What is the purpose of human life? What is love? What is reality? What is the secret of happiness? Do we have free will? Is transcendence real? Through case histories, in-depth analyses, and practical examples, the book offers new ways of addressing these and other important questions. 'The Psychology of Spirituality' demonstrates that life can, in fact, be good, happy and fruitful, and that we human beings are, indeed, noble beings only if we knew.

R.D. Laing Mar 23 2022 For anyone interested in Laing this is a fascinating collection of interviews and a timely reminder of his enduring importance.

Die Glückshypothese Mar 11 2021

Shelley's Poetry Jan 21 2022 Shelley's detractors since Hazlitt have noticed a division in the 'self' of his poems. A central reasoning core fears the passions surrounding it and distrusts the language expressing it. A few of his admirers offer an alternative view of the poems as symbolical pointers to a non-linguistic reality transcending passion; most miss the point, justifying their admiration by referring to the poems' systems of thought. This reading of Shelley's major poems and critical prose finds the

adverse case more convincing.

R.D. Laing and the Paths of Anti-Psychiatry Jul 03 2020 In the 1960s and 1970s, the radical and visionary ideas of R. D. Laing revolutionized thinking about psychiatric practice and the meaning of madness. His work, from *The Divided Self* to *Knots*, and his therapeutic community at Kingsley Hall, made him a household name. But after little more than a decade he faded from prominence as quickly as he had attained it. *R.D. Laing and the Paths of Anti-Psychiatry* re-examines Laing's work in the context of the anti-psychiatry movement. Concentrating on his most productive decade, the author provides a reasoned critique of Laing's theoretical writings, investigates the influences on his thinking such as phenomenology, existentialism and American family interaction research, and considers the experimental Kingsley Hall therapeutic community in comparison with anti-psychiatry experiments in Germany and Italy. The book provides a much needed reassessment and re-evaluation of Laing's work and its significance for psychotherapy and psychiatry today.

The Divided Self Aug 28 2022

Es war einmal eine Frau, die ihren Mann nicht sonderlich liebte Jan 27 2020 Niemand schreibt erste Sätze wie die Petruschewskaja: "Es lebte einmal ein Vater, der seine Kinder nicht finden konnte." - "Eine Frau hasste ihre Nachbarin." - "Es war einmal ein sehr dickes Mädchen, das nicht ins Taxi passte." Und das ist nur der Anfang. Petruschewskajas Geschichten führen mitten hinein in die Welt des Unheimlichen, Schaurigen, Monströsen. Sie verbindet Alltägliches mit Absurdem und ist dabei vor allem eines: unendlich komisch. Neunzehn eigens für diesen Band zusammengestellte Geschichten zum Entdecken und

Wiederentdecken der großen russischen Autorin!

Exploring the Divided Self Sep 24 2019 "Seen at the time of its publication in 1972 as an embarrassment by some of his friends and a disappointment by many of the admirers of his earlier romantic and idyllic works, *Der Steppenwolf* is now generally considered to be Hermann Hesse's most innovative and influential novel, comparable in its modernity, according to Thomas Mann, to James Joyce's *Ulysses* and Andre Gide's *Les Faux Monnayeurs*. What offended early readers, namely the author's willingness to explore and attempt to come to terms with dark side of his self and of a society in transition, is precisely what appealed to rebellious readers in the turbulent sixties and seventies and helped make *Steppenwolf* the most widely read German novel of the twentieth century. Ironically, this story of a fifty-year-old man, which Hesse thought younger people would not understand, has been and continues to be a favorite of college students." "After briefly tracing the extraordinary development of Hesse's popular reception, David G. Richards surveys the critical writing on *Steppenwolf*, from Hugo Ball's remarks in the first biography of Hesse, which was published the same year as the novel, and the other primarily biographical studies of the prewar period, through the exploration of important facets of the work in mostly German dissertations of the fifties and the explosive expansion of scholarship in the boom years of the sixties and seventies to the more modest achievements and the consolidating studies of the eighties and nineties."--BOOK JACKET. Die Politik der Familie Dec 20 2021

Das Selbst und die Anderen Jul 27 2022

R.D. Laing Jun 25 2022 R.D. Laing was Britain's most famous psychoanalyst and a hugely contentious figure. His ambition to make madness intelligible was reached through unorthodox means and despite being a gifted professional, he was sneered at by the establishment. In this biography, John Clay traces Laing's colourful life from his childhood in Glasgow to the heights of fame in the 1960s and assesses the influence his ideas had on the future of psychiatry.

Die Tatsachen des Lebens Mar 30 2020

The Psychology of Spirituality Nov 18 2021

Personality and Evolution Jun 13 2021

The Divided Self Sep 04 2020 A guide that aims to show Christian counsellors how to apply their own self-awareness when counselling other Christians.

The Digitally Divided Self Feb 19 2022 "It isn't easy to find an informed and critical look at the impact of digital media practices on human lives and minds. Ivo Quartiroli offers an informed critique based in both an understanding of technology and of human consciousness." --Howard Rheingold, author of *The Virtual Community* and *Smart Mobs*. Howard Rheingold, Derrick de Kerckhove, Arthur Kroker, Eric McLuhan, Michael McLuhan, Douglas Rushkoff, Michael Wesch, Hilarie Cash, Erik Davis, Michael Heim, Maggie Jackson, Ervin Laszlo and others on the forefront of technology and media studies praised *The Digitally Divided Self* as a milestone in the understanding of human nature in relationship with digital technology. Intersecting media studies, psychology and spirituality, *The Digitally Divided Self* exposes the nature of the malleable mind and explores the religious and philosophical influences which leave it obsessed with the incessant

flow of information.

Die 7 Wege zur Effektivität Snapshots Edition Oct 06 2020
Auch nach 25 Jahren hat "Die 7 Wege zur Effektivität" von Stephen R. Covey weder an Relevanz noch an Aktualität verloren.
