## **TOGAF® 9 Certified Study Guide - 2nd**

**Edition** Jun 28 2020 The TOGAF 9 certification program is a knowledge-based certification program. It has two levels, leading to certification for TOGAF 9 Foundation and TOGAF 9 Certified, respectively. The purpose of certification to TOGAF 9 Certified is to provide validation that, in addition to the knowledge and comprehension of TOGAF 9 Foundation level, the Candidate is able to analyze and apply this knowledge. The learning objectives at this level therefore focus on application and analysis in addition to knowledge and comprehension. This Study Guide supports students in preparation for the TOGAF 9 Part 2 Examination, leading to

TOGAF 9 Certified.

**PgMP® Exam Practice Test and Study Guide, Fourth Edition** Aug 11 2021 PgMP® Exam Practice Test and Study Guide, Fourth

Edition is the book you need to pass the Program Management Professional (PgMP®) exam the first time around. It reflects recent revisions based on PMI®'s Standard for Program Management - Third Edition (2013). Based on best practices that complement PMI®'s standards, this is the most comprehensive and up-to-date resource available to help you prepare for the exam with new and changed terminology. It includes a list of the major topics covered on the exam organized by the five performance domains—strategic program management, program life cycle, benefits management, stakeholder management, and governance—as presented in the Program Management Professional Examination Content Outline. It also includes helpful tips on how to make the most of the time you have available to prepare for the exam. Just like its bestselling predecessors, this indispensable study guide includes 20 multiple-choice practice questions for each domain along with a comprehensive

answer key. The program life cycle domain includes 20 questions for each of the five phases. Each question also has a plainly written rationale for each correct answer with bibliographic references for further study. Two challenging, 170-question practice tests that simulate the actual exam are included in the book and online, so you can retake them as many times as necessary. They also include a rationale and reference. Scores for the online tests are presented as if each question is rated similarly, but this edition also includes a new component: the authors' own weighting system for the level of difficulty for each question. This system will show you what they feel meets the exam's criteria for Proficient, Moderately Proficient, and below Proficient. You then will see your scores by domain in both approaches. Supplying an insider's look at the questions, terminology, and sentence construction you will encounter on the day of the exam, this indispensable study tool is designed to help you

pass the exam and achieve the highly sought after PgMP® certification.

**Security+ Training Guide** Jan 24 2020 The Security+ certification is CompTIA's response to membership requests to develop a foundation-level certification for security workers. The IT industry is in agreement that there is a need to better train, staff, and empower those tasked with designing and implementing information security, and Security+ is an effort to meet this demand. The exam is under consideration by Microsoft as the baseline security certification for Microsoft's new security certification initiative. The Security+ Training Guide is a comprehensive resource for those preparing to

take this exam, covering everything in a format that maps to the exam objectives. The book has been subjected to a rigorous technical review, ensuring content is superior in both coverage and technical accuracy. The accompanying CD features PrepLogic(tm) Practice Tests, Preview Edition. This product includes one complete PrepLogic Practice Test with approximately the same number of questions found on the actual vendor exam. Each question contains full, detailed explanations of the correct and incorrect answers. The engine offers two study modes, Practice Test and Flash Review, full exam customization, and a detailed score report. *First Trainer. Six Practice Tests with Answers and 3 Audio CDs. Second Edition* Mar 26 2020 **PgMP® Exam Practice Test and Study Guide, Third Edition** Sep 12 2021 Are you prepared to pass the Program Management Professional (PgMP®) exam the first time around? With the help of the PgMP® Exam Practice Test and Study Guide, Third Edition,

you can be! Based on recent revisions to PMI®'s examination content outline, which serves as the basis for the exam along with PMI®'s Standard for Program Management (2008), this book is the most comprehensive and up-to-date resource available to help you prepare for the exam. Updated with new and changed terminology, this edition incorporates the concepts from the five performance domains. It has also refashioned the questions from some being definition-based to all being scenario-based. The book features practical study hints, a list of major topics covered on the exam, and a bibliographic reference for further study. The two challenging, 170-question practice tests included in the book and on the book's Web site simulate the PMI® exam and will allow you to retake the practice tests as many times as you would like. Supplying an insider's look at the questions, phrases, terminology, and sentence construction you will encounter on the actual exam, this indispensable study tool was created

to help you pass the exam and become PgMP® certified. Watch co-author Ginger Levin discuss how the PgMP® Exam Practice Test and Study Guide, Third Edition can help you pass the PgMP® exam, the first time around.
