**Selling** Jun 23 2022 There are universal laws of selling that determine whether you succeed, or don't succeed — whether you earn enough to enjoy the lifestyle you want or struggle to make ends meet. When you align the wind with your sails, you move effortlessly across the water. When your sails are out of alignment, you flounder and go nowhere. If you align your thinking and actions with these powerful laws of selling, you will be more effective and efficient. You will encounter less friction, require less energy, and get bigger results faster. Here's a sampling of Jeffrey's 21.5 Laws of Selling: • Deliver Value First • Ask Before Telling • Communicate in Terms of Them • Become Your Own Brand • Earn Referrals and Testimonials without Asking • Create Loyal Customers These 21.5 Laws are the rock foundation of selling. They may be invisible but they are undeniable — and unbreakable. If you're just getting started in selling, you will find the Laws invaluable. Whether or not you learn them and follow them will make or break your career. If you've been in sales for a while, you will find yourself saying, "I haven't been doing that." "I knew that! How did I forget?" When we break the Laws we pay the price. Our sales suffer. Our bank account takes a hit. It's an effort to get out of bed and make a sales call, to do our best work — work that is aligned with the Laws. Use Jeffrey's Laws of Selling to recharge your enthusiasm and redirect your actions back to what really works.

**Unbreakable** Mar 20 2022 The story behind Telemundo's Jenni Rivera: Mariposa del Barrio series, now streaming. A New York Times bestseller, this is the official biography from the beloved Mexican-American singer who lost her life in a tragic plane crash. The only autobiography authorized by Jenni Rivera "I can't get caught up in the negative because that destroys you. Perhaps trying to move away from my problems and focus on the positive is the best I can do. I am a woman like any other, and ugly things happen to me like any other woman. The number of times I have fallen down is the number of times I have gotten up." These are the last words that beloved Mexican American singer Jenni Rivera spoke publicly before boarding the plane that would crash and cut her life short on December 9, 2012. However, they are not the final words that La Diva de la Banda had for the world. Those are found in the pages you hold in your hands, Jenni's own account of the highs and lows of her extraordinary journey. She became the most acclaimed Spanish-language singer in the

United States and sold more than 15 million records worldwide. A single mother of five and grandmother of two, she was also an actress, a television producer, the star of her own reality show, and an entrepreneur. But for all its immense success, Jenni's life often seemed to be a series of personal battles in which perseverance was her only weapon. As her fame grew, she made it her mission to speak about her struggles, forging an intimate connection with her fans. She became a figure of strength and a source of encouragement to women of all ages. In *Unbreakable*, Jenni recounts the crucial moments in her past, revealing her experiences with domestic and sexual abuse, divorce, body image issues, making her way in a male-dominated industry, raising her children as a single mother, and learning that she could depend only on herself. Though she is no longer with us, Jenni will always be the "Rivera rebel from Long Beach," the girl who maintained her sense of humor and fighting spirit in every circumstance. In this remarkable memoir, Jenni leaves behind a legacy of inspiration and determination that will forever live on through her precious family, friends, and fans.

Als ehemals gefeierter Günstling seinen Chefs steht er mittlerweile nicht nur unter Dauerstress sondern auch auf der Abschussliste. Das wirkt sich auch auf sein Privatleben aus. Zu wenig Zeit für seine Kinder und zu wenig Zuwendung für seine Frau führen immer wieder zu Spannungen in der einst so harmonischen Beziehung. Seine Existenz ist nicht viel mehr als ein Scherbenhaufen. Bis zu dem Tag, als ihn ein platter Reifen zwingt, den Bus zu nehmen und er auf die Busfahrerin Joy trifft. Was er in diesem Moment noch nicht weiß: Joy und die Passagiere ihres Busses haben es sich zur Aufgabe gemacht, gescheiterte Existenzen wie George mittels zehn einfacher Regeln wieder auf den rechten Weg zu führen.
